EDUCATION

- 1992 B.A., Psychology, Wesleyan University, Middletown, Connecticut
Wesleyan in Paris Program, Paris, France (1990)
- 1997 M. A., Developmental Psychology, University of Michigan
- 2000 Ph.D., Developmental Psychology, University of Michigan; Advisor: Arnold J. Sameroff
Certificate in Development, Psychopathology, and Mental Health (2000)
- 2000-2002 Postdoctoral Fellowship, Warren Alpert Medical School of Brown University

PROFESSIONAL POSITIONS

- 2016/present Associate Professor with tenure, Department of Health Behavior and Health Education,
University of Michigan School of Public Health
- 2015/present Associate Research Scientist, Center for Human Growth and Development, University of
Michigan
- 2015-2016 Research Associate Professor, Department of Health Behavior and Health Education,
University of Michigan School of Public Health
- 2013 Visiting Scholar, University of California-Berkeley School of Public Health and Institute
for Human Development (IHD)
- 2007-2015 Assistant Research Scientist, Center for Human Growth and Development, University of
Michigan
- 2006-2015 Research Assistant Professor, Department of Health Behavior and Health Education,
University of Michigan School of Public Health
- 2006-2011 Assistant Research Scientist, Department of Psychology, University of Michigan
- 2006/2018 Adjunct Assistant Professor (Research), Department of Psychiatry and Human Behavior
(Child and Family Psychiatry), Warren Alpert Medical School of Brown University
- 2002-2006 Assistant Professor (Research), Department of Psychiatry and Human Behavior (Child
and Family Psychiatry), Warren Alpert Medical School of Brown University
- 2002-2006 Research Associate, E.P. Bradley Hospital, East Providence, RI

HONORS AND AWARDS

- 2017-2019 Invited Member, American Heart Association Writing Committee for Policy Statement on *Caregiver Influences on Eating Behaviors in Young Children* (Alexis Frazier-Wood, Chair)
- 2017 Nominated for the *Golden Apple Award*, University-wide student-nominated award for outstanding teaching.
- 2012 Nominated by MICHR as Junior Investigator whose research stands out above peers and reflects a highly promising and innovative approach and/or whose science has the ability to make a significant impact to the field.
- 2012 “Essential Piece” Award Recipient. Awarded by Motherly Intercession, Inc., Flint, MI “Interceding for Children” for work with children of incarcerated mothers and their families (miforu.org).
- 2005 Nominated for Research Mentor Award, Warren Alpert Medical School of Brown University
- 2000-2002 National Institute of Mental Health (NIMH) T-32 Postdoctoral Fellowship in Developmental Psychopathology, Warren Alpert Medical School of Brown University
- 2000 Graduate Certificate in Developmental Psychology and Mental Health, University of Michigan, Ann Arbor
- 1999-2000 Departmental Associate, Psychology, University of Michigan, Ann Arbor
- 1996-1999 National Science Foundation (NSF) Graduate Research Fellowship
- 1996, 1997 Quantitative Methods Summer Workshop Participant, University of Michigan Inter-University Consortium for Political and Social Research (ICPSR)
- 1996 Summer Research Partnership Award, University of Michigan, Ann Arbor
- 1995-1996 National Institute of Child Health and Human Development (NICHD) Pre-Doctoral Training Grant Fellowship, University of Michigan
- 1992 Walkley Prize for excellent original undergraduate research in Psychology, Wesleyan University
- 1991 Ford Foundation Undergraduate Teaching Program Participant, Wesleyan University

SERVICE AND OTHER PROFESSIONAL ACTIVITIES

- 2020 Senior Faculty Mentor, HBHE Clinical Faculty
- 2020 Conference Organizer, Center for Human Growth and Development *Behavioral Coding Symposium* (to be held April 2020).
- 2019 Consulting Editor (invited), *Child Development* Editorial Board

2019-present	Chair, MPH Curriculum Committee, UM SPH
2019	Special Graduate Faculty, Human Health and Nutritional Sciences, University of Guelph, Ontario, Canada
2019	Member (invited), Office of Research Compliance Review (ORCR) Advisory Committee
2018	National Center on Early Childhood Health and Wellness (NCECHW) expert consultant on health equity in early childhood education and care (AAP, ACF, Office of Head Start, Office of Child Care, Maternal Child Health Bureau)
2018-present	Faculty Lead, Media Management and Behavioral Coding Core, Center for Human Growth and Development, University of Michigan
2018	University of Michigan Injury Prevention Center Core Faculty Member (nominated)
2018	Member, Board of Directors, <i>Children's Literacy Network</i> (elected), Washtenaw County
2018-present	Executive Committee Member (appointed; re-appointed 2019), Center for Human Growth and Development, University of Michigan
2018, 2020	Member, Prelim Examination Committee, Health Behavior and Health Education, University of Michigan School of Public Health
2018	Chair, Clinical Faculty Hiring Committee (Ad-Hoc), Health Behavior and Health Education, University of Michigan School of Public Health
2016-2018	Member, NIH Science of Behavior Change (SOBC) Steering Committee
2017-present	Member, NIH T32 Recruitment and Selection Committee, <i>Training in Developmental Science to Improve Child Health and Well-Being</i> , Center for Human Growth and Development, University of Michigan
2017-2018	Member, Promotions Committee, Center for Human Growth and Development, University of Michigan
2017	Healthy Eating Research Expert Consultant, Robert Wood Johnson Foundation
2017-2019	Data Safety Monitor, R01DK108661 (<i>Mealtime interactions and risk of obesity in toddlers</i> ; Hart, Phelan, Wing, PIs)
2017-present	Member, Internal Advisory Board, University of Michigan School of Public Health <i>Center for Research on Ethnicity, Culture, and Health</i> (CRECH)/NIH NIGMS Initiative for Maximizing Student Development (IMSD)
2017-present	Faculty representative, UM-SPH CEPH Accreditation Taskforce (Applied Practice and Integrated Learning Experience Workgroup)
2017-2019	Member, MPH Curriculum Committee, Health Behavior and Health Education, University of Michigan School of Public Health
2016-2018	Member, NIH Science of Behavior Change (SOBC) Protocol Development, Technical Guidelines & Methods Committee

- 2016-2018 Executive Committee Member (elected), Center for Human Growth and Development, University of Michigan
- 2016-2017 Member, Doctoral Admissions Committee, Health Behavior and Health Education, University of Michigan School of Public Health
- 2016 Member, Prelim Examination Committee, Health Behavior and Health Education, University of Michigan School of Public Health
- 2016-2017 Review Panel Co-Chair, *Parenting & Parent-Child Relationships Panel*. 2017 Society of Research in Child Development (SRCD) Biennial Conference
- 2015-2016 Member, MPH Curriculum Committee, Health Behavior and Health Education University of Michigan School of Public Health
- 2015-present Member, NIH Psychosocial Development, Risk and Prevention (PDRP) Study Section
- 2015-present Associate Director and Seminar Series Instructor, NIH T32 Training Grant, *Training in Developmental Science to Improve Child Health and Well-Being*
- 2015-present Member, Momentum Center Steering Committee, University of Michigan School of Public Health
- 2015-2016 Member, Masters Admissions Committee, Health Behavior and Health Education, University of Michigan School of Public Health
- 2015-2016 Faculty Advisor, Minority Health and Health Disparities International Research Training (MHIRT) Program
- 2014-present Director, Community Outreach and Translation Core (COTC), NIEHS/EPA P01 Children's Environmental Health Center, University of Michigan School of Public Health
- 2014-2017 Affiliated Faculty Member, Education and Mentoring Group, Michigan Institute for Clinical & Health Research (MICHHR)
- 2013-present Director, Pilot and Feasibility Grants Program, The Momentum Center, University of Michigan School of Public Health
- 2013 Organizer, Center for Human Growth and Development Fall Speaker Series, *Biobehavioral research on child health and development: Implications for intervention and prevention science*
- 2012-2015 Board Member, Kellogg KidSight Program (David Musch, MD, Department of Ophthalmology and Visual Sciences, Director)
- 2012-2013 Member, Bioassay Services Administrative Core, Center for Human Growth and Development, University of Michigan
- 2011-2013 Executive Committee Member (elected), Center for Human Growth and Development, University of Michigan
- 2010-2012 Director, Clinical-Community Interventions Group, Center for Human Growth and

Development, University of Michigan

- 2005-2006 IRB Member/Pediatric Reviewer, The Miriam Hospital Clinical Research Institutional Review Board, Warren Alpert Medical School of Brown University
- 2000 Co-Therapist, University Center for the Child and Family, Ann Arbor, MI
- 1993-1995 Research Associate, Department of Pediatrics, University of California, San Francisco
- 1992-1993 Clinical Rater, MacArthur Program for Conscious and Unconscious Mental Processes, Langley Porter Psychiatric Institute, University of California, San Francisco

GRANTS

Awarded

NIH R01HL150848 (PI: Bauer) 1/1/20-12/31/25
Maternal Self-Regulation and Early Childhood Obesity Role: Co-Investigator

NIH R03 HD096095 (PI: Tan) 4/1/19-3/31/21
Predictors of Fathers’ and Mothers’ Feeding Behaviors: A Dyadic Perspective. Role: PI, Michigan Subcontract

The Momentum Center, University of Michigan Pilot Grant. (PI: Miller/Sokol) 10/1/2019
 Principal Investigator, *Screening children for social determinants of health in pediatric clinic settings: Implications for childhood obesity prevention*. Total direct costs: \$3500

The Momentum Center, University of Michigan Pilot Grant. (PI: Mehdipanah) 10/1/2019
 Co-Investigator, *Examining Housing as a Determinant of Child Health: The Stable Tenure And Youth Health (STAY-Health) Study*. Total direct costs: \$3500

NIH F32 HD100025 (Lo) NICHD National Research Service (NRSA) 9/1/19-8/31/21
Early Adversity, Biological Sensitivity, and Self-Regulation in Low Income Children. Lo, S. (PI; Mentor A. Miller).

NIH F32 HD100021 (Sokol) NICHD National Research Service (NRSA) 9/1/19-8/31/21
Can Social Support Screening Improve Existing Trauma Screeners? Sokol, R. (PI; Mentor A. Miller)

Canadian Institute of Health Research (CIHR) 419814; Haines, PI.
Chronic stress and child adiposity: Testing a bio-behavioural model. Role: Consultant (Co-I) 7/10/19-7/9/2025.
 Goal of this is to study longitudinal associations of stress and adiposity across early childhood. Role: Consultant

NIH K01 HL143159 (Doom) 7/1/19-6/30/24
Testing cortisol dysregulation as a mediator between early stress and adolescent cardiovascular health. Jena Doom, PI. Role: Co-Mentor.

NIH NIDA R21 DA049729 (Heinze) 6/1/19-5/31/21
Understanding Intergenerational Transmission of Drug Use in the Context of Cannabis Legalization. Role: Co-Investigator

M-Cubed Funds (Alison Miller, PI) 5/22/19-12/31/20
 Principal Investigator: *Parenting and Lead Mitigation at Home: Community-Based Education for Parents of*

Young Children. (School of Social Work collaborator Julie Ribaud; SPH collaborator Simone Charles). Total direct costs: \$15,000.

UH3HD087979-04S1 Miller, Alison & Fredericks, Emily (mPI) 2/14/19-8/31/20
Parents' Self-regulation and Youth Type 1 Diabetes Management

Principal Investigator: Goal of this administrative supplement study is to examine how parent self-regulation may impact diabetes management and glycemic control among pre-adolescents and adolescents with type 1 diabetes.

National Institutes of Health [NIH Common Fund] (UH3HD087979) (Miller, PI) 9/20/18-8/31/20
Principal Investigator: *Targeting Self-Regulation to Promote Adherence and Health Behaviors in Children*.
Total direct costs: \$2,196,353

NIH K23 (Selkie) NICHD HD093815 9/1/18-8/31/23
Adolescents' Peer Interactions on Social Media: Antecedents, Consequences, and Implications for Socioemotional Wellbeing Ellen Selkie, PI Role: Co-Mentor. The goal of this training application is to examine how child social media use associates with their well-being. My role will be to mentor Dr. Selkie in developmental theory and behavioral coding methods. Total direct costs: \$100,000/year

Community Foundation of Greater Flint, 182360 Oshio, T. (PI) 6/1/18-8/30/20
Longitudinal Study of Children in Educare Flint & Cummings Great Expectations. Role: Co-Investigator

NIH R01 HD095135 (A. Ventura, PI) 7/24/18-5/1/19
Developmental trajectories of dyadic feeding interactions during infancy and their association with rapid weight gain. The goal of this proposal is to identify clusters of dyadic feeding patterns over the first year of life and links to weight gain trajectories. Role: Co-Investigator

MICHR Pilot Grant program (PI: Miller/Haan) 3/1/18-2/28/19
Community-University Partnership Seed (CUPS) Grant, *Lead Mitigation for Healthy Homes in Kent County, MI*.
Funded by the Michigan Institute for Clinical and Health Research 2UL1TR000443.

NIH R03 HD094077 (Radesky) 9/1/17-8/31/19
Co-Investigator: *Parent-toddler interactions during electronic versus print book reading* (Radesky, PI)

NIH R21 HD094051-01 (Radesky) 8/20/18 - 7/31/20 Co-
Longitudinal associations between preschooler emotion regulation, executive function, and digital media use
(Radesky, PI) Role: Co-Investigator

NIH K23 (Radesky) K23 HD092626 7/1/17-6/30/22
Technology and Parent-Child Interaction. PI: Radesky. Role: Co-Mentor. The goal of this training application is to examine how media use affects parents and parent-child interaction. My role will be to mentor Dr. Radesky in developmental theory and observational methods for capturing parent-child interaction. Total direct costs: \$100,000/year

American Heart Association Fellow-to-Faculty Transition Award (PI: Pesch) 6/1/17-5/31/22
Co-Mentor to Recipient Megan Pesch: Harsh Maternal Restrictive Feeding Practices and Obesity in Early Childhood (Total Costs: \$350,000; in-kind effort)

Doris Duke Foundation Fellowship (PI: Tyler Hein) 7/1/17-6/30/19
Doris Duke Scholar Fellowship for the Promotion of Child Well-Being: Seeking innovations to prevent child abuse and neglect. *Parsing the Effects of Child Maltreatment on Neurodevelopment and Mental Health*. Role: Mentor

Robert Wood Johnson Foundation New Connections Grant (PI: Brittany Schuler) 9/1/17-6/30/18

Examining the impact of parenting and stress on children's healthy eating habits. Role: Mentor

NHLBI Administrative Supplement, SOBC (NHLBI/OBSSR R01 HL132979 02S1) 7/1/17-6/30/18
A PATH (Promoting Activity and Trajectories of Health) for Children. Role: Co-Investigator (PI: Leah Robinson)

National Institutes of Health (NIMH R21 MH100765) 7/1/16-6/30/18
 Co-Investigator (PI of Michigan Subcontract): *Sleep and the Neural Basis of Emotion Processing in Childhood.*
 Role: Co-I. (PI: Monique LeBourgeois). Total direct costs: \$275,000

The Momentum Center, University of Michigan Pilot Grant. 10/1/16-9/30-16
 Mentor/Co-Investigator, *Food parenting under stress: An adaptation of a preschool parenting intervention to address feeding beliefs and behaviors* (PI: Megan Pesch). Total direct costs: \$25,000

The Momentum Center, University of Michigan Pilot Grant. 12/1/15-11/30-16
 Mentor/Co-Investigator, *Self-regulation and health outcomes in young children* (PI: Leah Robinson). Total direct costs: \$25,000

National Institutes of Health (NICHD R03-HD-084708) 4/1/16-3/31/18
 Principal Investigator: *Observed Mealtime Satiety Signaling and Childhood Obesity Risk.* Role: PI.
 Total direct costs: \$100,000.

National Institutes of Health (NICHD R03-HD-086430) 12/1/15-11/30/17
 Principal Investigator: *Feeding-Specific Coparenting in Fathers and Mothers of Preschoolers* (Role: PI).
 Total direct costs: \$100,000.

National Institutes of Health [NIH Common Fund] (UH2HD087979) (Miller, PI) 9/18/15-8/31/18
 Principal Investigator: *Targeting Self-Regulation to Promote Adherence and Health Behaviors in Children.*
 (Role: PI) Total direct costs: \$2,196,353

National Institutes of Health (NICHD R03HD083656) 4/1/15- 3/31/17
 Principal Investigator: *Family Food Talk and Obesity Risk in Toddlers, Preschoolers, and Preteens.* (Role: PI)
 Total direct costs: \$100,000.

American Heart Association Scientist Development Grant 7/1/15-6/30/18
Childhood predictors of disinhibited eating during pre-adolescence. Role: Co-Investigator/Mentor (PI: Kendrin Sonnevile) Total direct costs: \$186,480

University of Michigan Functional MRI Laboratory Pilot Grant 7/1/15-6/30/17
Functional neural correlates of obesity-promoting eating behaviors in children, PI's L. Hyde/J. Lumeng (Role: Co-I)

National Institutes of Health NICHD National Research Service (NRSA), F32 HD085684 7/1/15-6/30/16
Low-income Mothers' Media Cognitions and Practices and Child Obesity Risk Factors. Role: PI (Mentor/Sarah Domoff Trainee PI) Total direct costs: \$110,112.

National Institutes of Health (NICHD R01HD084163) 7/1/15-6/30/20
 Co-Investigator: *The Development of Eating Behavior in Infancy,* PI Lumeng

NIH Ruth L. Kirschstein National Research Service Award (NRSA) 4/1/15-3/31/20
 Institutional Research Training Grant (T32HD079350): *Training in Developmental Science to Improve Child Health and Well-Being* (PI: Lumeng; Role: Co-Investigator/Associate Director). Total direct costs: \$1,325,420

- Temple University (NIH 5R21HD074554; Jennifer Fisher/Kirsten Davidson, PIs) 9/1/14-5/31/15
 Co-Investigator, Michigan Subcontract: *Snacking in Young Children: Parental Definitions, Goals, and Feeding Practices.*
- University of Michigan Injury Center (James Swain, PI) 7/1/14-6/30/15
 Co-Investigator: *Childhood Poverty, Maltreatment, Violence, and Brain Development*
- American Heart Association Postdoctoral Fellowship (Megan Pesch, PI) 7/1/14-06/30-16
 Role: Mentor, *Characterization of Restrictive Maternal Feeding Behaviors.* Total Direct Costs: \$110,000
- Rackham Graduate School, Spring/Summer Research Award 5/1/14-8/1/14
 Role: Faculty advisor for PhD student in Biostatistics. *Using Time-Sensitive Statistical Modeling to Understand Behavioral Self-Regulation Strategies, Eating Behavior, Stress, and Obesity in Low-Income Children.* Direct costs: \$9300.00
- M-Cubed Funds (Alison Miller, PI) 6/30/14-7/1/15
The Maternal Feeding Study (School of Nursing collaborator Minkyong Song; SPH collaborator Ana Baylin). Total direct costs: \$60,000.
- National Institute of Environmental Health Sciences (NIEHS/EPA P01 ES022844; PI: Peterson) 7/1/13-5/31/18
Lifecourse Exposures & Diet: Epigenetics, Maturation & Metabolic Syndrome. The Children's Environmental Health Center aims to understand the mechanisms by which exposure to EDC mixtures (BPA, phthalates, lead, cadmium) interact with diet in utero and peripuberty to impact markers of metabolic homeostasis, oxidative stress and risk of metabolic syndrome. Role: Community Outreach and Translation (COTC) Core Leader
- National Institute of Drug Abuse (NIDA R01 DA035811; Marc Zimmerman, PI) 7/1/13-6/30/18
 Role: Co-Investigator, *Intergenerational Transmission of Drug Use in an Urban Sample.* Total direct costs: \$2,448,485.
- NICHD L40 HD048082 (Lenwood Hayman, PI). 2/1/13 – 1/31/15
 Co-Mentor: *Food Cognitions and Eating Behavior: Social Facilitation of Eating Behavior in Children.* Total direct costs: \$128,935 [Administrative Supplement to NICHD 1R01HD069179]
- State of Michigan Children's Trust Fund (CTFDS 13-25001) 2013-2016
 Primary and Secondary Prevention of Child Abuse and Neglect.
 Consultant: *Strengthening Incarcerated Families* (Shirley Cochran, PI). Total direct costs: \$25,000/yr
- National Institutes of Health (NICHD/NIDDK R21 DK095695) 9/1/12 – 8/31/14
 Co-Investigator: *Head Start Exposure and Changes in Children's Body Mass Index* (Thomas Reischl/Julie Lumeng, PI's). Total direct costs: \$427,625
- National Institutes of Health (NICHD/NIDDK R01DK098983) 9/30/12-10/1/15
 Principal Investigator (Multiple PI format): *Biobehavioral Mechanisms Linking Stress and Obesity in Low-Income Children* (Alison Miller/Julie Lumeng, PI's). Total direct costs: \$1,529,237 [cut 13%]
- Michigan Institute for Clinical and Health Research (MICHR) Pilot Grant program 10/1/12 – 9/30/13
 2UL1TR00043306
 Principal Investigator: *Oxytocin, Parenting, Stress-Related Eating Behavior, and Obesity in Low-Income Preschoolers* (Alison L. Miller, PI). Total direct costs: \$50,000 (\$25,000 cost-share).
- Center for Integrative Approaches to Health Disparities (CIAHD) Pilot Grant program 9/1/11 – 8/30/12
 Co-Investigator: *Sleep habits and environments, and an intervention to improve them, for preschool children in low socioeconomic settings.* (Katherine Wilson, PI).

Michigan Institute for Clinical and Health Research (MICHR) Pilot Grant program 5/1/11 – 4/30/12
Consultant: *Transmission of emotion regulation: From maternal brain to child behavior* (Maria Muzik, PI). Total direct costs: \$50,000.

National Institutes of Child Health and Development (NICHD R01HD061356) 4/1/11 – 3/31/16
Co-Investigator: *Low-income mothers' feeding beliefs and practices as child obesity risk factors*. (Julie Lumeng, PI). Total direct costs: \$2,500,000.

U.S. Department of Agriculture (USDA 2010-04785) 3/15/11-3/14/16
Agriculture and Food Research Initiative (AFRI 2011-68001-30089): Childhood Obesity Prevention Challenge Area, CFDA # 10.310. Co-Investigator: *Enhancing Self-Regulation as a Strategy for Obesity Prevention in Head Start Preschoolers* (Julie Lumeng, PI) Total direct costs: \$4,759,220.

National Institutes of Child Health and Development (NICHD 1R01HD069179) 9/30/10-9/29/15
Principal Investigator (Multiple PI format): *Self-Regulation as a Biological Mechanism for Excess Weight Gain in Toddlers* (Alison Miller and Julie Lumeng, MPI's) Total direct costs: \$1,899,800.

National Institute of Child Health and Development (NICHD-HHS N275201000007C) 9/30/10-9/29/14
Co-Investigator: *Experimental Research on the Effect of Teenage Passengers on Teenage Driving Performance* (C. Raymond Bingham, PI) Total direct costs: \$1,141,137.

Centers for Disease Control (CDC 1-U01-CE-001957-01) 9/30/10-9/29/15
Cooperative Agreement Program for the National Academic Centers of Excellence in Youth Violence Prevention (U01), CDC-PA-CE10-004. Co-Investigator: *Michigan Youth Violence Prevention Center* (Marc Zimmerman, PI). Total direct costs: \$4,185,463.

National Institute of Diabetes, Digestive and Kidney Diseases (NIDDK R21DK090718) 9/21/10-8/31/12
Principal Investigator (Multiple PI format): *Stress Reactivity, Cortisol, and Obesity in Low-Income Children* (Alison Miller and Julie Lumeng, PI's) Total direct costs: \$275,000. [score: 10]

National Institute of Child Health and Development (NICHD R01 HD062565) 9/1/10-7/31/15
Co-Investigator: *Youth Empowerment Solutions for Positive Youth Development* (Marc Zimmerman, PI)
Total direct costs: \$ 2,499,990.

Michigan Institute for Clinical and Health Research (MICHR) Pilot Grant program 6/1/10 – 5/31/11
Principal Investigator: *Parenting While Incarcerated*. ULRR024986; 029861-186334. Total direct costs: \$25,000.

American Heart Association 10GRNT4460043 7/1/10 – 6/30/12
Principal Investigator: *Stress Reactivity, Cortisol, and Obesity in Low-Income Children*. Total direct costs: \$130,000.

National Institute of Mental Health (NIMH R01 MH086566-01) 10/1/10 – 09/30/15
Principal Investigator, Michigan subcontract: *Sleep and Emotion Regulation across Early Childhood*. (Monique LeBourgeois, PI) Total direct costs: \$173,616.

National Institute of Diabetes, Digestive and Kidney Diseases (NIDDK 1RC1DK086376) 10/1/09-9/30/11
Co-Investigator: *Cortisol and Eating Behavior in Low-Income Preschool-Aged Children*. (Julie Lumeng, PI)
Total direct costs: \$1,000,000.

Michigan Metabolomics and Obesity Center (MMOC) 10/1/09 – 9/30/10
Pilot/Feasibility Grant

Co-Investigator: *Diurnal Salivary Cortisol in Association with Cardiovascular Risk Markers and Weight Status in Low-Income Preschool-Aged Children*. (Julie Lumeng, PI) Total direct costs: \$49,928.

National Institute of Mental Health (NIMH R21MH081921) 5/7/09 – 4/30/11
Principal Investigator: *Developing Locally-Tailored Prevention Programming for Children of Incarcerated Mothers*. Total direct costs: \$275,000.

Administration for Children & Families/Office of Planning, Research, & Evaluation 9/30/07 – 9/29/09
(ACF/OPRE 90YR0012/01)
Principal Investigator: *Child, Family, and Classroom Effects on Early Academic Skill Trajectories in Head Start: Examining Risk and Protective Factors at Multiple Levels of Analysis*. Total direct costs: \$99,999.

University of Michigan Center for Japanese Studies 5/1/08-6/30/09
Co-Investigator: *Behavioral assessment of emotion regulation processes in Japanese preschoolers*. (Sheryl Olson, PI). Total direct costs: \$15,000.

University of Michigan Office of the Vice President for Research (OVPR) 12/1/07 – 11/30/08
Faculty Grant
Principal Investigator: *Emotion Expression and Motor Activity in Chinese, Japanese, and US Preschoolers: Toward Understanding Cross-Cultural Variation and Intersystem Connections in Development and Mental Health*. Total direct costs: \$4,300.

University of Michigan Office of the Vice President for Research (OVPR) 9/1/07 – 9/1/08
Faculty Grant
Co-Investigator: *Cross-Cultural Investigation of Diurnal Salivary Cortisol Patterns in Preschool-Age Children and their Parents*. (Barbara Felt, PI) Total direct costs: \$9,635.

National Institutes of Mental Health (NIMH K01 MH066139) 4/1/03 – 3/31/08
Principal Investigator: *Emotional Competence, Poverty, and School Transition*. Mentored Research Scientist Development Award (K01). Total direct costs: \$587,642.

National Science Foundation (NSF 0236340) 9/1/04 – 8/30/08
Co-Principal Investigator: *Emotion Processing and Social Competence in Head Start Children*. (Ronald Seifer, PI) Total direct costs: \$498,000.

Administration for Children & Families / Head Start Bureau (ACF 90YDO127) 9/1/02 – 8/31/06
Co-Principal Investigator: *Enhanced HS MAP Intervention: Linking Program Evaluation with Child Outcomes*. Head Start-University Partnership Grant. (Susan Dickstein, PI). Total direct costs: \$568,191.

National Institute of Child Health and Human Development (NICHD 5R01 HD051514) 9/30/05 – 8/31/10
Consultant: *Social-Emotional Assessment of Child's School Readiness*. (Susanne Denham, PI)

National Institute of Mental Health (NIMH 5K01 MH074643) 9/23/05 – 7/31/10
Consultant: *Sleep-Wake Regulation and Emotion in Early Childhood*. (Monique LeBourgeois, PI)

Pending / Under Review

Lumeng, JC T32 Renewal (score 47. December 2019). Role: Co-Investigator / Training Director

Sonneville, K Maternal and Child Health Public Health Catalyst Program MCH HRSA, June 2020-June 2025 (submitted January 8th 2020). Role: Co-Investigator / Training Director

Lumeng, J (ABC Baby renewal); *The Development of Eating Behavior in Infancy: Associations with Behavior, Diet, and Growth to Age 6 years* December 16th 2019 submission. Role: Co-Investigator / Training Director

Schuler K01 (NIMHD) Dimensions of Early Life Adversity and Self-Regulation: Pediatric Obesity Risk Pathways in Low Income Communities. Role: Co-Mentor; submitted October 2019

NIH (PI: Bohnert) 5/01/20-4/30/25
Self-regulation phenotypes and health behaviors across the adolescent transition. Role: Co-Investigator

NIH-NIDCR UG3/UH3 Miller/Kalil/Heyman/Slep (MPI) 07/01/20 – 06/30/27 (resub 11/19)
Using Behavioral Tools to Help Low-Income Parents Promote Oral Health in Preschool-Age Children Role: MPI

NIH R01 (Tarullo, Boston University; Resubmitted July 2018) 12/01/19 – 11/30/24
Advancing Engagement and Efficacy of Interventions for Co-Morbid Sleep and Behavior Problems in Young Children Role: Co-Investigator

NIH R21 (PI: Kalil, University of Chicago) 7/1/19-6/30/21
Co Investigator and UM Site PI, *Using Behavioral Tools to Help Parents Promote Healthy Behaviors in their Preschool-Age Children*

NIH R01 (Radesky) 07/01/20 – 06/30/25
Technology Use and Emerging Executive Functioning in Early Childhood Role: Co-Investigator

Grant Reviewer:

- Reviewer, Pilot and Feasibility Grant Program for the NIDDK-sponsored Diabetes Research Center here at the University of Alabama at Birmingham (March 2019)
- Reviewer, University of Michigan MICHR Postdoctoral Translational Scholars Program (PTSP) (October 2018)
- Reviewer, University of Nebraska Research Initiative Grant (summer 2017)
- Reviewer, Special Emphasis Panel/Scientific Review Group **2018/01 PDRP** meeting

Member, NIH Psychosocial Development, Risk and Prevention (PDRP) Study Section (as of July 2015)
Reviewer, Cornell Northeast Nutrition Education Center of Excellence (USDA-NIFA)
Reviewer, NIH Psychosocial Development, Risk and Prevention (PDRP) Study Section, June 2014
University of Michigan Momentum Center Pilot Grant Program, 2014-
Special Emphasis Panel Member, NIH Support for Conference and Scientific Meetings (R13/U13)
2x/year (since 2012)
Special Emphasis Panel Member, National Institute on Minority Health and Disparities (NIMHD)
Exploratory Centers of Excellence (P20); 2012
University of Michigan Institute for Clinical and Health Research (MICHR) Pilot Grant Program; 2012-
2015
University of Michigan Injury Center Pilot Grant Program, 2014
Israel Science Foundation (ISF), 2005
Postdoctoral Grantwriting Seminar, Warren Alpert Medical School of Brown University, 2002-2006

Other Review Activities:

Consulting Editor, Child Development, as of 2019
Review Panel Co-Chair, *Parenting and Parent-Child Interactions* Panel, Society for Research in Child
Development (SRCD) 2017 Annual Meeting
Reviewer, 2015 Child Trends Healthy Marriage and Responsible Fatherhood Initiative Research Brief:
Incarcerated Mothers and Implications for Families
Proposal Reviewer, Society for Research in Child Development (SRCD) 2013 Special Topics Meeting:
Strengthening Connections among Child and Family Research, Policy and Practice
Proposal Reviewer, Society for Research in Child Development Biennial Meeting, 2005-present
Proposal Reviewer, Society for Prevention Research Annual Meeting, 2006-present
Reviewer, Norton Publishing, 2004

STUDENTS MENTORED

School of Public Health

Masters Students

Lauren Meta Ramsey, MPH (MPH summer internship supervisor, 2009; PhD Student MCH U Maryland)
Allison Krusky, MPH (MPH summer internship supervisor, 2010)
Jamie Perryman, PhD, MPH (MPH summer internship supervisor, 2011)
Lara Markovitz, MSW (MPH summer internship supervisor, 2011)
Debrah Cummings (MPH advisee, 2011)
Elana Mosesova (MPH advisee, 2011)
Brittany McNeil (MPH advisee, 2011)
Kimberly Mott (MPH advisee, 2011)
Alison Schumacher, MPH (MPH summer internship supervisor, 2012)
Raelle Saulson, MPH (MPH summer internship supervisor, 2012)
Lauren Weston, MPH (MPH summer internship supervisor, 2012; independent study, 2013)
Elizabeth Babalola (Brown University MPH student; MPH summer internship supervisor, 2012)
Julia Schroeder (MPH independent study student, 2013)
Kari Woloszyk (MPH independent study student, 2013)
Kathryn Beck (MPH advisee 2013)
Katrina Daoud (MPH advisee 2013)
Cailin Falato (MPH advisee 2013)
Yu-Ting Lu (MPH advisee 2013)
Kim Kotzky (MPH advisee 2013; MPH independent study student, 2015)
Christine Brichta (MPH independent study student, 2014)
Nicole Kubinec (MPH independent study student, 2014 – capstone)
Nipher Malika, MPH student, Research Epidemiology, Loma Linda University School of Public Health, MICHR

Summer Immersion student, summer 2014)

Megan Hogikyan (MPH advisee 2014)

Jill Paladino (MPH advisee 2014)

Ashleigh Renner Bemis (MPH advisee 2014; MPH independent study student, 2016)

Mayra Rivas-Rocha (MPH advisee 2014)

Kristine Abduls (MPH advisee, 2015)

Sarah Freeman (MPH advisee, 2015)

Jacqueline Kalajian (MPH advisee 2015, MPH student in lab, 2015)

Suzanne Meller (MPH advisee 2015; MPH student in lab, 2017)

Elizabeth Timoszyk (MPH student in lab, summer 2016)

Elizabeth Roach (MPH summer internship supervisor, 2016 [Nutrition Student])

Lindsay Anderson (MPH summer internship supervisor, 2016 [EHS Student])

Sara Feldman (MPH advisee, 2016)

Tess Kilian (MPH advisee 2016)

Iris Mustich (MPH advisee 2016)

Jennifer Proto (MPH advisee 2016; MPH student in lab 2016; independent study student, 2016, 2018); CDC Evaluation Fellow (ORISE) in the Center for Surveillance, Epidemiology, and Laboratory Sciences in Atlanta

Danielle Bohn (MPH student in lab, 2016-17)

Amna Ali (MPH student in lab, 2016-17)

Samantha Brown (MSW student in lab, 2016-17)

Sara Miller (MPH student in lab 2016-17; MPH summer internship supervisor, 2017); PhD Student, Penn State

Liliane Bentley (MPH summer internship supervisor, 2017)

Hurley Riley (MPH advisee, 2017; MPH summer internship supervisor, 2018; independent study 2019)

Emma Klein (MPH advisee, 2017)

Shelby Gort (MPH advisee, 2017)

Kayla Mandel (MPH advisee, 2017)

Susan Balto (MPH/MSW advisee, 2018)

Emily Costello (MPH/MSW advisee, 2018)

Madeline DeMarco (MPH advisee, 2018)

Rachel Varisco, (MPH summer internship supervisor, 2019)

Phoebe Trout, (MPH summer internship supervisor, 2020)

Sriram Swaminathan, (MPH summer internship supervisor, 2020)

SPH Doctoral Students

Yu Pu (Sophie) Chen, PhD Student, Biostatistics, 2011-2013

Rana Mosli, PhD (dissertation committee member, Human Nutrition, School of Public Health; PhD 2015;

Assistant Professor, Clinical Nutrition Department, Faculty of Applied Medical Sciences, King Abdulaziz University, Jeddah, KSA)

Vivienne Hazzard, PhD (dissertation committee member, Nutrition Sciences, School of Public Health PhD 2019;

Postdoctoral Fellow, Midwest Eating Disorders NIMH T32 Fellowship, University of Minnesota Department of Psychiatry)

Sara Abelson (secondary PhD advisor, Health Behavior and Health Education, School of Public Health)

Peter DeJonge (dissertation committee member, Epidemiology, School of Public Health, as of 2018)

Elyse Thulin (secondary advisor, HBHE, School of Public Health, started program as of 2018)

Medical School

Student Biomedical Research Program (SBRP) medical student fellows

Caitlin Clifford (summer 2012)

Alison Goulding Mustoe (summer 2013; 2013-14)

Anne Allen (summer 2014)

Virginia Morris (summer 2014)

Kimiko Warlaumont (summer 2014)

Jeanne Lee (summer 2015)

Katharine Asta (summer 2015)

Psychology/Other (not including independent study students)

Rebecca Berger, PhD (Psychology BA honors thesis advisor, 2007); now Research Associate, NORC Chicago
Shavonnea Brown, MS (Psychology BA honors thesis advisor, 2010)

Doctoral Students (non-SPH)

Annie Chian Ho, PhD (dissertation committee member; PhD 2010, Educational Psychology; Assistant Professor
Tzu-Chi University, Taiwan)

Samantha Worzalla Bindman, PhD (dissertation committee member; PhD 2012, Developmental Psychology,
Morrison; Postdoctoral Fellow, University of Illinois)

Amanda Berhenke, PhD (dissertation committee member; PhD 2012, Developmental & Educational Psychology,
Morrison; Assistant Professor, Albertus Magnus College, CT)

Adam Grabell, PhD (dissertation committee member, Psychology; PhD 2014, Clinical Psychology, Olson/Tardif;
Postdoctoral Fellow, University of Pittsburgh Department of Psychiatry; Assistant Professor, Amherst
College)

Julie (Ju-Hyun) Song, PhD (dissertation committee member; PhD 2015; Developmental Psychology, Volling;
Postdoctoral Fellow, University of Toronto; Assistant Professor, Cal State Dominguez Hills)

Ivan Vargas, PhD (dissertation committee member; PhD 2016; Clinical Psychology, Hyde; Postdoctoral Fellow,
University of Pennsylvania Perelman School of Medicine)

Tyler Hein, PhD (dissertation committee member, PhD, 2019; Developmental Psychology; Monk); Policy Mentor
of Doris Duke Scholar Doris Duke Fellowship for the Promotion of Child Well-Being (2017-2019).
Researcher, Ann Arbor Veteran's Administration

Kathryn Abramoski, PhD (now Hugheson; dissertation committee member, PhD, 2019; School of Nursing;
Stoddard). Assistant Professor of Nursing, Eastern Michigan University

Kara Palmer, PhD (dissertation committee member, PhD, 2019; School of Kinesiology; Robinson) Clinical
Assistant Professor of Kinesiology, University of Michigan

Tiwa Ajibewa (Qualifying exam and dissertation committee member, School of Kinesiology; Hasson)

Lu Qu (Qualifying exam and dissertation committee member, School of Kinesiology; Ulrich; recipient,
International Institute Student Fellowship, Summer 2019)

Hruska, Valerie (Qualifying exam and dissertation committee member, Human Health and Nutritional Sciences,
University of Guelph, Office of Graduate and Postdoctoral Studies; Haines; started May 2019)

Mary Ann Cherenzia (Doctoral of Nursing Practice, DNP degree), University of Michigan School of Nursing;
Kusunoki (committee member, started May 2019)

Josephine Granner (dissertation committee member, School of Nursing; Seng)

Katie Scott Andrews (dissertation committee member, School of Kinesiology; Robinson)

Sara Stein (supervisor, Healthy Homes Reflective Practice study, School of Social Work; Ribaud)

Postdoctoral Advising (PhD and MD)

University of Michigan

Lenwood Hayman, PhD (social psychology; postdoctoral supervisor, 2013-2014); Assistant Professor, UM-Flint
School of Public Health; Associate Professor, Community Health, Morgan State University

Christy Leung, PhD (developmental psychology; postdoctoral supervisor, 2012-2014); Research Director, 30
Million Words Initiative, TMW Center for Early Learning and Public Health, University of Chicago

Sarah Domoff, PhD (clinical psychology; postdoctoral supervisor, 2014-2016; NIH F32 recipient; Assistant
Professor, Central Michigan University Department of Psychology)

Julie (Ju-Hyun) Song, PhD (developmental psychology; postdoctoral supervisor, 2015-2016); Postdoctoral
Fellow, University of Toronto; Assistant Professor, Cal State Dominguez Hills

Megan Julian, PhD (clinical psychology, postdoctoral supervisor, 2016-2018; NIH T32 recipient; Clinical
Assistant Professor, UM Psychiatry, Fall 2018)

Jena Doom, PhD (developmental psychology, postdoctoral supervisor, 2016-2018; NIH F32 recipient; Assistant
Professor at UC Denver as of Fall 2019)

Brittany Schuler, PhD (social work, postdoctoral supervisor, 2017-18, RWJF New Connections recipient;

Assistant Professor at Temple U, Fall 2018)

Daniel Lee, PhD (UNC - clinical psychology, postdoctoral supervisor, 2016-2018; NIH T32 recipient; Research Investigator, University of Minnesota, Fall 2018)

Sharon Lo, PhD (MSU - child clinical psychology, postdoctoral supervisor, 2018-2020, NIH T32 recipient; NIH F32 recipient)

Rebecca Sokol, PhD (UNC – Social and Health behavior) postdoctoral supervisor 2019-2021, NIH F32 recipient)

Katherine Wilson, MD (pediatric sleep research fellow; 2011-2013), Clinical Sleep Physician, Staff Physician, St. Joseph’s Medical System

Michelle Gomez Cruz, MD (adult endocrine fellow, 2011-2013), Pediatrician, San Juan, Puerto Rico

Lauren O’Connell, MD (developmental behavioral pediatrics fellow, 2013-2015), Assistant Professor, Department of Pediatrics and Human Development, Michigan State University

Maha El Hassan, MD (pediatric endocrinology fellow, 2013-2015)

Megan Pesch, MD (developmental behavioral pediatrics fellow, AHA grant recipient, 2014-2016)

Tiffany Munzer, MD (developmental behavioral pediatrics fellow, postdoctoral supervisor, 2016-2018; NIH T32 recipient)

Jenny Radesky, MD (developmental-behavioral pediatrician, K23 award Co-Mentor, 2017-2022)

Ellen Selkie, MD (adolescent medicine pediatrician, K23 award Co-Mentor, 2018-2023)

Warren Alpert Medical School of Brown University (2002-2006)

Lisa Coyne, PhD (internship supervisor; Associate Professor of Psychology, Suffolk University)

Christine Low, PhD (postdoctoral supervisor; Clinical Research Associate, E. P. Bradley Hospital)

Stephanie Shepard, PhD (postdoctoral supervisor; Assistant Professor (Research) E. P. Bradley Hospital)

Sarah E. Fine, PhD (postdoctoral supervisor, private practice, Norfolk, Massachusetts)

Greta Doctoroff, PhD (postdoctoral supervisor; Associate Professor of Psychology, Yeshiva University)

Casey Hoffman, PhD (postdoctoral supervisor; Psychologist, Children’s Hospital of Philadelphia)

Eleanor Brown, PhD (internship supervisor; Professor of Psychology, West Chester University)

TEACHING AND SUPERVISION

2018/current Instructor, *Doctoral Seminar in Health Behavior and Health Education* (HBHED 800), University of Michigan School of Public Health.

2018/current Instructor, *Mental Health Interventions* (HBHED 710-002), University of Michigan School of Public Health.

2016/current Instructor, *Child Health and Development* (HBHED 634), University of Michigan School of Public Health.

2017 Guest Lecturer in *Nutrition Research Seminar* (NUTR 688; Mancuso), “Child behaviors and obesity prevention”

2016 Guest Lecturer in *Reducing Health Disparities* (HBHE 702; Chatters), “Socio-cultural influences on child development”

2016 Guest Lecturer in *Home, School, and Community: Realities, Interventions, and Policies for Young Children in Poverty* (EDUC 311; SW 300; Weiland / Danzinger), “Child Environmental Health”

2016 Panelist, HBHE 886: *Theory driven interventions for individual behavior change* (HBHE 886), University of Michigan School of Public Health. “Developing interventions for

children”.

- 2015/present Primary Instructor, NIH T-32 Training Grant Didactic Seminar Series, *Training in Developmental Science to Improve Child Health and Well-Being*
- 2015 Faculty Advisor, Minority Health Research Training (MHIRT) Program
- 2015-17 Guest Lecturer, *Techniques of Survey Research (HBHE 530)*, University of Michigan School of Public Health. “Conducting Surveys with Children”
- 2015 Guest Lecturer, Michigan Research Community (UROP affiliate), “Obesity Prevention: The State of the Science”
- 2015 Guest Lecturer, SPH Maternal and Child Health Student Association (MCHSA), “Development and Childhood Obesity Prevention”
- 2013/present Guest Lecturer (once per semester), *PSYC 211, Project Outreach*, Ann Arbor, MI. “Obesity prevention in low-income children ”
- 2012/present Faculty Advisor, Student Biomedical Research Program (SBRP) medical student fellows
- 2012 Guest Lecturer, *Core seminar, Clinical Psychology Postdoctoral Fellowship Program*, Department of Psychiatry, University of Michigan. “Strengthening Incarcerated Families: Community-based intervention with children and their caregivers”
- 2011/present Faculty Advisor, MPH in Health Behavior Health Education
- 2010-2014 Guest Lecturer (yearly), *Research Methodology (HBHE 620)*, University of Michigan School of Public Health. “Grantwriting in Public Health”
- 2010/present Instructor, *Faculty Directed Early Research for Psychology as a Natural Science, PSYCH 326*, University of Michigan. Independent study course and supervised laboratory research experiences on the effects of stress on child development, family functioning.
- 2009/present Supervisor, *Masters in Public Health Summer Internship*, University of Michigan School of Public Health.
- 2009/present Instructor, *Independent Study in Health Behavior and Health Education, HBHE 625*, University of Michigan School of Public Health.
- 2009 Guest Lecturer, *Mental Health Promotion (HCR 361/561)*, University of Michigan-Flint. “Integrating Evidence-Based Practices into Community Settings”
- 2009-2011 Guest Lecturer, *Families and Health (HBHED 629)*, University of Michigan School of Public Health and School of Social Work. “Incarceration Effects on Children and Families”
- 2009 Guest Lecturer, *Ethics and Public Health (HBHED 610)*, University of Michigan School of Public Health. “Regulation and Oversight in Public Health Ethics”
- 2008/present Instructor, *Field Practicum in Psychology, PSYCH 404*, University of Michigan. Independent study course and supervised field experience in program evaluation.

- 2006/present Instructor, *Faculty Directed Early Research for Psychology as a Social Science, PSYCH 327*, University of Michigan. Independent study course and supervised laboratory research experiences in child emotional development and school readiness.
- 2006/present Instructor, *Faculty Directed Advanced Research/Social Science, PSYCH 423*, University of Michigan. Independent study course and supervised laboratory research experiences in emotional development and school readiness; high-stress families; sleep and emotion regulation in early childhood.
- 2006-2010 Instructor, *Supervised Research, PSYCH 619*, University of Michigan. Graduate level supervised research course leading to master's degree.
- 2003-2006 Supervisor, *Child Track Intern Research Placement*, Warren Alpert Medical School of Brown University. Primary research supervisor for interns in the Clinical Psychology Internship program.
- 2003-2006 Supervisor, *Child Track Postdoctoral Fellow Research Placement*, Warren Alpert Medical School of Brown University. Primary research supervisor for child clinical postdoctoral fellows.
- 2003-2006 Instructor, *Human Development Seminar*, Child and Adolescent Psychiatry Fellowship Training, Warren Alpert Medical School of Brown University. Lectured on normative developmental processes, links to developmental psychopathology.
- 2002-2005 Instructor, *Statistics in Medicine*, Warren Alpert Medical School of Brown University, Department of Pediatrics. Designed and taught summer statistics course for pediatric residents and fellows (10-15 students per year).
- 2002-2004 Instructor, *Research Perspectives: Human Development and Family Studies*, University of Rhode Island. Designed and taught methodology course in human development.
- 2001 Guest Lecturer, *Child Development for Counseling Psychologists*, Boston University. "Program Evaluation Strategies for Preschools, Elementary schools, and High schools".
- 1998 Graduate Student Instructor, *Advanced Laboratory in Developmental Psychology*, University of Michigan. Writing intensive methods course.
- 1998 Guest Lecturer, *Human Development*, Eastern Michigan University. "Peer Relations and Social Development in Middle Childhood".
- 1998 Guest Lecturer, *Developmental Psychology*, University of Michigan. "Temperament and Attachment in Infancy".
- 1997-1998 Instructor, *Advanced Research Experience in Psychology*, University of Michigan. Course on infant development and infant mental health.
- 1997 Graduate Student Instructor, *Introduction to Developmental Psychology*, University of Michigan.
- 1991 Undergraduate Writing Tutor, *Social Cognition*, Wesleyan University.

INVITED PRESENTATIONS

Miller, A.L. (January, 2020). *Applying Developmental Science to Inform Child Health Interventions*. Health Behavior and Health Education Departmental Colloquium, 1/27/20.

Miller, A.L. (October, 2019). *Mental Health Promotion at SPH*. SPH Research Theme Presentation, 10/14/19.

Miller, A.L. (September, 2019). *Child factors and family dynamics that shape mealtime challenges*. Keynote Speaker. University of Illinois Second Annual Families and Food Conference. Chicago, IL, 9/25/19.

Miller, A.L. (September, 2019). *Healthy Homes: Building community partnerships for lead mitigation education and parent empowerment in Michigan*. MICHR Community-Engaged Research Funding Workshop, Ann Arbor MI, 9/30/19.

Miller, A.L. (September, 2019). *Mothering and child health outcomes: A perspective from developmental science*. University of Michigan – Center for Research on Women and Gender / Center for Human Growth and Development Mothering in the Age of Intensive Parenting Conference, Ann Arbor MI, 9/4/19.

Miller, A.L. (May, 2019). *Targeting Self-Regulation to Promote Health Behaviors in Children: The AIMS-TID Study*. Science of Behavior Change (SOBC2-UH3) American Psychological Society Annual Meeting, Washington, DC

Miller, A. L. (April, 2019). *Targeting Self-Regulation to Promote Health Behaviors in Children: The AIMS-TID Study*. Pediatric Endocrinology Seminar Series, University of Michigan

Miller, A.L. (April, 2019). *Behavioral Coding Workshop*. Leader. Center for Human Growth and Development, Ann Arbor, MI, April 11, 2019.

Miller, A.L. (January, 2019). *Targeting Self-Regulation to Promote Health Behaviors in Children: The AIMS-TID Study*. Science of Behavior Change (SOBC2-UH3) NIH grantee meeting, Bethesda, MD.

Miller, A.L. *Development in Middle Childhood and Adolescence*. “Hacking Health” Keynote Speaker. *VentureWell Kids Design Charrette*, Penny Stamps School of Art and Design, University of Michigan, January 19, 2019 [Winner, UM innovation in Teaching]

Miller, A.L. (July, 2018). *Early Childhood Mental Health*. University of Michigan Prevention Research Center Intern Brown Bag Series

Miller, A.L. (June, 2018) Behavioral approaches to developing and maintaining healthy behaviors for cardiovascular health promotion. NIH Workshop, Promoting Cardiovascular Health in Early Childhood (0-5 years) and Transitions in Childhood (early years and pre-adolescent through adolescence), Bethesda, MD

Miller, A.L. (May, 2018). *Science of Behavior Change and Prevention Science*. In: W. Bickel (Chair) Brown Bag Special Interest Group Panel Discussion, Society for Prevention Research (SPR) Annual Convention, Washington, DC

Miller, A.L. (April, 2018). *Applying Developmental Science to Inform Child Health Interventions*. Featured Speaker (with Lori Lightfoot), SPH Alumni Association, Chicago, IL

Miller, A.L. (March, 2018). *Developmental Science and Parenting Interventions: Challenges and Opportunities*. University of Michigan Rackham Interdisciplinary Workshop on #Parenting

Miller, A.L. (January, 2018). *Targeting Self-Regulation to Promote Health Behaviors in Children*. Science of Behavior Change (SOBC2) NIH grantee meeting, Bethesda, MD.

- Miller, A.L. (January, 2017). *Science of Behavior Change: The ABC Brain Games Study*. Science of Behavior Change (SOBC2) NIH grantee meeting, Bethesda, MD.
- Miller, A.L. (September, 2016). Panelist, University of Michigan Health System and School of Social Work, *Social Justice Grand Rounds- S. Meller Case Presentation on Complex Trauma*.
- Miller, A.L. (July, 2016). *Targeting Self-Regulation to Promote Adherence and Health Behaviors in Children: The Experimental Method*. Science of Behavior Change (SOBC2) NIH grantee meeting, Bethesda, MD.
- Miller, A.L. (June, 2016). Invited Speaker, *Early Life Stress and Obesity: Individual and Family Factors and Implications for Intervention*. National Academy of Medicine [Institute of Medicine] Roundtable on Early Life Stress and Childhood Obesity. Washington, DC.
- Miller, A.L. (May, 2016). *Using Developmental Science to Promote Child Health*. Featured Speaker, University of Michigan Board of Regents' Meeting, Grand Rapids, MI.
- Miller, A.L. (May, 2016). *Self-Regulation as a Mechanism for Excess Weight Gain in Toddlers*. In: Science of Behavior Change: Finding Mechanisms of Change in the Laboratory and the Field. (Lis Nielsen, Chair, NIA). Sponsored by NIH Common Fund's Science of Behavior Change. Association of Psychological Sciences Meeting, Chicago, IL.
- Miller, A.L. (March, 2016) Society for Affective Science conference. Featured Speaker, *Career Development Discussion: Keys to Developing an Interdisciplinary Program of Affective Science Research*. Chicago, IL.
- Miller, A.L. (March, 2016). *A developmental science perspective on childhood obesity prevention*. Invited Speaker, The Life Course Development (LIFE) Program, Institute for Social Research, University of Michigan.
- Miller, A.L. (January, 2016). *University of Michigan's Children's Environmental Health Center: Developmental Framework, Translational Activities, and Points of Connection*. Invited Speaker, University of Michigan's Survey Research Center Interdisciplinary Seminar Series "Children's Environmental Health", Institute for Social Research, University of Michigan.
- Miller, A.L. (December, 2015). *Targeting Self-Regulation to Promote Adherence and Health Behaviors in Children*. Science of Behavior Change (SOBC2) NIH grantee meeting, Bethesda, MD.
- Miller, A.L. (October, 2015). *A developmental science perspective on childhood obesity prevention*. Invited Speaker, University of Michigan's Research Center for Group Dynamics Interdisciplinary Seminar Series "Mechanisms for Regulating the Self and Social Group", Institute for Social Research, University of Michigan.
- Miller, A.L. (September, 2015). *Community Engagement Core Activities at the University of Michigan's Children's Environmental Health Center*. Invited Speaker, Midwest Children's Environmental Health Symposium, University of Illinois, Champaign-Urbana, IL
- Miller A.L. (August, 2015). *Effects of Female Incarceration on Children and Families*. Invited Webinar Speaker, Child Trends/Healthy Marriage and Responsible Fatherhood Initiative.
- Miller, A.L. (May, 2015). *A Developmental Science Perspective on Childhood Obesity*. Invited Speaker, Prevention Science Institute, University of Oregon, Eugene, OR
- Miller, A.L. (February, 2015). *Child Health Interventions in Community Settings*. Invited Speaker, Center for Human Potential, University of Chicago Harris School of Public Policy.

Miller, A.L. (October, 2014). *Child Development and Learning Under Stress*. UM-Flint's Common Read Program: Kozol's Fire in the Ashes. Invited Speaker/Panelist.

Miller, A.L. (October, 2014). *Fidelity and Adherence in Behavioral Interventions*. NIH Invited presentation to LIFE-Moms Grantees, National Institutes of Health, Bethesda, MD

Miller, A.L. (June, 2014). Invited Moderator, Science of Behavior Change (SOBC) *Interpersonal and Social Processes Discussion* (June, 2014), NIH grantee meeting, Bethesda, MD.

Miller, A.L. (August, 2014). Invited Speaker, *NIH/Oppnet Conversations on Self-Regulation and Health*, American Psychological Association Meeting (August, 2014), Washington, DC.

Miller, A.L. (June, 2014). Center for Human Growth and Development 50th Anniversary Conference: Investing in Children and Families: What Really Counts. Featured Speaker. *Future Directions: How developmental science can improve child health and well-being*. Ann Arbor, MI.

Miller, A.L. (June, 2014). *Self-regulation as a biological mechanism for excess weight gain in toddlers: Initial results*. Presented at the Science of Behavior Change (SOBC) NIH grantee meeting, Bethesda, MD.

Miller, A.L. (April, 2014). *The Appetite, Behavior, and Cortisol (ABC) Studies: Cortisol and eating behavior in young children*. Capital Area Community Services Head Start, Health Services Advisory Committee, Lansing, MI.

Miller, A.L. & Lumeng, J.C. (May, 2014). *Biobehavioral mechanisms linking stress and obesity in young low-income children*. National Institutes of Health, OppNet (Basic Behavioral and Social Sciences Research Opportunity Network) Conference on Sleep and Stress, Washington, DC.

Miller, A.L. (March, 2014). *Stress, self-regulation, eating behavior, and obesity in young, low-income children*. Featured Speaker, Frank M. Norfleet Forum for the Advancement of Health, The Urban Child Institute, Memphis TN.

Miller, A.L. (March, 2014). *Stress, self-regulation, eating behavior, and obesity in young, low-income children*. Merrill-Palmer-Skillman Institute Colloquium, Wayne State University, Detroit, MI.

Miller, A.L. & Lumeng, J.C. (March, 2014). *Using developmental science to inform child health research: Stress, self-regulation, eating behavior, and obesity in low-income preschoolers*. University of Michigan Center for Human Growth and Development 50th Anniversary Speaker Series, Ann Arbor, MI.

Miller, A.L. (February, 2014). *Stress, self-regulation, eating behavior, and obesity in low-income children*. University of Michigan Medical School, Pediatric Endocrinology Seminar Series, Ann Arbor, MI.

Miller, A.L. & Cochran, S. (September, 2013). *Parenting While Incarcerated: Strengthening families at Motherly Intercession*. Presented at the Community Engagement Coordinating Council, Michigan Institute for Clinical and Health Research (MICHR), Ann Arbor, MI.

Miller, A.L. (June, 2013). Invited Panelist, *Ready, Set, Connect: Non-Profit and University Partnerships*. Flint, MI.

Miller, A. L. (June, 2013). *Self-regulation as a biological mechanism for excess weight gain in toddlers: Year 2 progress*. Presented at the Science of Behavior Change (SOBC) NIH grantee meeting, Bethesda, MD.

Miller, A. L. (April, 2013). *Stress, self-regulation, eating behavior, and obesity in low-income children*. UC-Berkeley Institute for Human Development Lecture Series, Berkeley, CA.

Miller, A. L. (March, 2013). *Stress, eating behavior, and obesity in low-income children: Identifying novel targets for intervention*. NIH and SBM-sponsored Pre-Conference Symposium: Stress & Obesity: Basic, Translational & Clinical Perspectives. (Elissa Epel, Ph.D., Catherine Stoney, Susan M. Czajkowski, & Christine Hunter, Organizers). Society of Behavioral Medicine Conference, San Francisco, CA.

Tardif, T., Miller, A.L., & Grabell, A. (September, 2012). *Emotion Regulation as a Complex System (Revisited): Emotion Regulation in Chinese, Japanese, and US preschoolers*. Presented at the Center for Human Growth and Development Seminar Series, Ann Arbor, MI.

Miller, A.L. (June, 2012). *Self-regulation as a biological mechanism for excess weight gain in toddlers: Year 1 progress*. Presented at the Science of Behavior Change (SOBC) NIH grantee meeting, Bethesda, MD.

Miller, A.L., & Cochran, S. (May, 2012). *Strengthening incarcerated families at Motherly Intercession*, Safe and Healthy Futures in Genesee County Symposium, Flint, MI.

Miller, A.L. & Lumeng, J. (February, 2012). *Stress and eating in low-income, preschool-aged children*. Presented at the UM Child Health Evaluation and Research (CHEAR) Health Services Research Seminar, Ann Arbor, MI.

Miller, A.L. (June, 2011). *Self-regulation as a biological mechanism for excess weight gain in toddlers*. Presented at the Science of Behavior Change (SOBC) NIH grantee meeting, Bethesda, MD.

Miller, A.L. (April, 2011). *Reactivity in context: The emotion processing in Head Start preschoolers study*. Presentation to the Trauma, Stress, and Anxiety Research Group (Developmental Neuroendocrinology), University of Michigan Department of Psychiatry, Ann Arbor, MI.

Miller, A.L. (April, 2011). *Clinical and community interventions*. Presented at the Center for Human Growth and Development Biennial Retreat, Ann Arbor, MI.

Miller, A.L. (February, 2011). *Community-based intervention with children of incarcerated parents*. Presented at the UM Child Health Evaluation and Research (CHEAR) Health Services Research Seminar, Ann Arbor, MI.

Miller, A.L. & Lumeng, J. C. (October, 2010). *Stress regulation, eating behavior and obesity in low-income children*. Presented at the State Board Meeting of the Prevention Center of Michigan, Lansing, MI.

Miller, A.L. & Cochran, S. (January, 2010). *Partnering for children of incarcerated parents: Strengthening families at Motherly Intercession*. Presented at the Community Board Meeting of the Prevention Center of Michigan, Flint, MI.

CONFERENCE PRESENTATIONS (PEER-REVIEWED)

Jansen, E, Kaciroti, N, Lumeng, JC, Rosenblum, K, & Miller, AL (under review). *Early life household environments in relation to trajectories of food responsiveness*. Society for Epidemiologic Research annual meeting, June 2020

Meyer, M, Weeks, HM, Miller AL, Kaciroti N, Radesky J (under review), *Socioeconomic disparities in mobile device use in preschool-aged children*. Pediatric Academic Societies, April 2020

Rybak, TM, Berlin, KS, Cohen, R, Miller, AL, Lumeng, JC. (2019, Dissertation). *Examining How Mothers' Behaviors During a Structured Eating Task Align with Parent Child Interaction Therapy (PCIT) Skills & Influence Children's Eating*

Ajibewa, T, Zhou, M, Barry, MR, Miller, AL, Sonnevile, KR, Leung, C, & Hasson, RE. (March, 2020) *Adolescent stress: A predictor of disordered eating behaviors and attitudes in youth with overweight/obesity*. American Psychosomatic Society Annual Meeting, Long Beach, CA, March 2020

Lo, S. L., Gearhardt, A., Katz, B., Kaciroti, N., Gonzalez, R., Hunter, C., Chaudhry, K., & Miller, A. L. (April, 2020). *Targeting Self-Regulation Skills in Children to Promote Health Behaviors: Clinical Trial Results*. Presented at the 41st annual meeting of the Society of Behavioral Medicine. San Francisco, April 2020. **Chosen as a Citation Abstract Award Winner.**

- Lo, S. L., Chaudhry, K., Fredericks, E., Albright, D., Kaciroti, N., Hunter, C., & Miller, A. L. (April, 2020). *Development of a technology-mediated intervention targeting emotion regulation skills in adolescents with Type 1 Diabetes*. In Ethan G. Lester (Chair), *Using Technology to Bypass Barriers to Mind-Body Care for Heterogenous Medical Populations*. Symposium presented at the 41st annual meeting of the Society of Behavioral Medicine, San Francisco, April 2020.
- Levitt, KJ, Miller, AL, Rosenblum, KL, Felt, B, McCaffery, H, Lumeng, JC (October, 2019). *Co-Sleeping: Predictors and Correlates among Low-Income School-Age Children*. Presented at the Society for Developmental and Behavioral Pediatrics Annual meeting, Washington, DC.
- Schuler, B. R., Bauer, K.W., Lumeng, J. C., Rosenblum, K, Clark, M., & Miller, A. L *Food Insecurity and Parenting Styles: Pathways to Mealtime Structure among Low-Income Families*. (November 2019). Oral presentation at the American Public Health Association’s (APHA) Annual Meeting and Exposition, Philadelphia, PA.
- Cummings, J., Gearhardt, AN, Miller, AL, Lumeng, JC (May, 2019). *Symposium: From Substance Use to Eating Behavior: Transdiagnostic Approaches for Adults and Children*. American Psychological Society, Washington DC
- Bauer, K, Shah, K., Weeks, H, Lumeng J & Miller, AL (June, 2019). *Mothers’ Observed Restrictive Feeding Practices Are Associated with Their Own Weight, not Children’s Characteristics*. Accepted as an ORAL Presentation for the ISBNA 2019 Annual Meeting, Prague, Czech Republic.
- Jordan, A, Appugliese, DP, Miller, AL, Lumeng JC, Pesch, MH (March, 2019). *“Eat your green beans!” Maternal verbal prompts and child vegetable intake: The mediating role of picky eating*, Michigan Pediatric Research Symposium.
- Miller, AL, Rosenblum, K, Sturza, J, Kaciroti, N, Lumeng, JC (March, 2019). *Sex Differences in the Association between Home Chaos and BMIz in Low-Income Toddlers*. In: A. Miller and A. Bohnert (Chairs), *Home Environment and Risk for Obesity in Toddlers, Children, and Adolescents*. Society of Behavioral Medicine Annual Meeting. Washington, DC
- Chaudry, KA. Bartholomew C., Miller, AL, Sonnevile, KR, Nichols, LP, Chang, T (March, 2019) *Attitudes and Attributions Around Sexting Behavior Among Youth: A national text message survey*. Society for Adolescent Health and Medicine. Washington, DC
- Miller, AL, Miller, SE, LeBourgeois, MK, Sturza, J, Rosenblum, KL, & Lumeng JC (March, 2019) *Sleep health and obesity-related eating behaviors in low-income toddlers*. In: A. Miller (Chair) *Sleep in High-Risk Young Children: Correlates, Consequences, and Intervention Results*. Society for Research in Child Development, Baltimore, MD
- Bauer, KW, Miller, AL, Haines, J, Lumeng, JC, & Gearhardt, AN (March, 2019). *Maternal Executive Function, Family Routines, and Feeding Practices: Implications for Obesity Prevention*. In: A. Semenov (Chair). *Two-Generation Approaches to Intervention in Early Childhood*. Society for Research in Child Development, Baltimore, MD
- Miller, AL, Haan, P, Arboleda, L, Lee, R., Riley, H., Montrose, L., & Peterson KE (March, 2019) *Healthy Homes: Building Community Partnerships for Lead Mitigation Education and Parent Empowerment in Michigan*. In B. Fiese (Chair), *Increasing Public Understanding of Environmental Influences on Children’s Health Through Community Engagement*; Society for Research in Child Development, Baltimore, MD

- Munzer, T., Miller, AL, Weeks, H, Kaciroti, N, Radesky, J (March, 2019) *Parent-toddler predictors of positive and negative tablet-based reading experiences*; Society for Research in Child Development, Baltimore, MD
- Palmer, KK, Sur, I., Miller, AL & Robinson, LE (March, 2019). *Self-regulation and anthropometric changes in the context of a motor skills intervention for low-income preschoolers*. Society for Research in Child Development, Baltimore, MD
- Bartholomew, CP, Chaudhry, K., Fredericks, EM, Sturza, J, Kaciroti, N, Hunter, C, Lumeng, J, Gearhardt, AN, Miller, AL (March, 2019). *Applying the Science of Behavior Change to Promote Child Self-Regulation: Results from an Emotion-Regulation Intervention*; Society for Research in Child Development, Baltimore, MD
- Hazzard, VM, Miller, AL, Bauer, KW, Mukherjee, B, & Sonnevile, KR (2019, March). *Protective Associations Between Father-Child Connectedness in Adolescence and Eating Concern in Young Adulthood*. Selected for Oral Presentation, International Conference on Eating Disorders (ICED). New York, NY
- Schuler, B., Lumeng, JC., & Miller AL (2019, January). *Poverty, Parenting, and Obesity Prevention: Examining Pathways of Family Mealtime Quality*. Selected for Oral Presentation, Society for Social Work and Research 23rd Annual Conference. San Francisco, CA
- Schuler, B., & Miller AL (2019, January). *Health Equity and Childhood Obesity: A Longitudinal Analysis of Financial Stress and the Role of Parents on BMI Growth Curves*. Selected for Oral Presentation, Society for Social Work and Research 23rd Annual Conference. San Francisco, CA
- Munzer, T., Miller, AL, Weeks, H, Kaciroti, N, Lumeng, JC, & Radesky, J (2018, October) *Parent-toddler nonverbal interactions differ when reading tablet-based versus print books*. Society for Developmental and Behavioral (SDB) Pediatrics Conference
- Miller, AL (2018, May). *Future orientation in children*. In: L. Nielsen and W. Bickel (Chairs), *Temporal discounting as a target for prevention: Basic, mechanistic, developmental, and policy insights*. Presented at the Society for Prevention Research (SPR) Annual Convention, Washington, DC
- Wang, Z, Jansen, EC, Peterson, KE, Tellez Rojo, MM, Miller, AL, Roberts, E, Watkins, D, Cantoral, A (2018, June). *Childhood behavioral and emotional characteristics are associated with soda intake during adolescence: a prospective study in Mexico City*. Presented at the American Society of Nutrition, Boston MA, June 2018
- Tan, CC., Walczak, M., Lumeng, JC, & Miller, AL. (2018, May). *Longitudinal Associations between Toddlers' Food and Drink Intake and Eating in the Absence of Hunger*. Presented at the Association for Psychological Science Meeting, San Francisco
- Munzer, T.G., Miller, A.L., Weeks, H., Kaciroti, N., Lumeng, J., & Radesky, J. (2018, May). *Parent-toddler engagement differs when reading electronic versus print books*. In: *Social Media and Technology: From Infancy to Young Adulthood*. Presented at Pediatric Academic Societies, Toronto, Canada
- Fernandez, C., Miller, A.L., Kaciroti, N., Lumeng, J., Pesch, M.H. (2018, May). *Trajectories of Picky Eating: Predictors and Longitudinal Associations of Child Weight and Maternal Feeding Behaviors in a Low-Income US Population*. Presented at Pediatric Academic Societies, Toronto, Canada
- Munzer TG, Miller A, Weeks H, Kaciroti N, Radesky J. (2018, April). *Ebooks, tablets, and parent-child interaction*. Children's Screen Time Action Network Conference in Boston, MA.

- Chung, S., Wilson, K.E., Miller, A. L., Johnson, D., Lumeng, J.,C., & Chervin, R.D. (June 2014). *Home sleeping conditions and sleep quality in low socioeconomic status preschool children*. Presented at the Sleep Annual Meeting, Minneapolis, MN, May 31-June 4 2014.

- Aiyer, S., Heinze, J., A., Miller, A. L., Stoddard, S., & Zimmerman, M. (May 2014). *Exposure to Violence during Adolescence Predicting Later Cortisol Response: Understanding Sex Differences*. Presented at the Society for Prevention Research 22nd Annual Meeting, Comprehensive and Coordinated Prevention Systems: Building Partnerships and Transcending Boundaries, May 27 – May 30, 2014, Washington, DC.
- Radesky, J., Miller, A. L., Rosenblum, K., Chen, Y.P., Kaciroti, N. & Lumeng, J.C. (May, 2014). *Maternal use of mobile devices during a laboratory-based parent-child interaction task*. **Selected for platform presentation**, Pediatric Academic Societies Meeting, Vancouver, WA, May 2014.
- ElHassan, M.E., Miller, A. L., Vazquez, D. M., & Lumeng, J. C. (May, 2014). *Association of prenatal and perinatal factors with diurnal cortisol pattern and cortisol reactivity to stress at preschool age among children living in poverty*. Presented at the Pediatric Academic Societies Meeting, Vancouver, WA, May 2014.
- Lumeng, J.C., Rosenblum, K., & Miller, A. L. (May, 2014). *Feeding interactions among low-income high-risk children ages 4-8 years*. In: J. Berge, *Direct Observational Methods in Childhood Obesity Research: Methods, Results and Lessons Learned*. Presented at the Annual Meeting of the International Society of Behavioral Nutrition and Physical Activity (ISBNPA), San Diego, CA
- Danford, C.A., Schultz, C.S., Rosenblum, K., Miller, A., & Lumeng, J.C. (November 2013). *Mothers' perceptions of causes and ways to prevent overweight in young, low-income children*. Presented at the 31st Annual Scientific Meeting of The Obesity Society, Atlanta, Georgia.
- Danford, C.A., Schultz, C.S., Rosenblum, K., Miller, A., & Lumeng, J.C. (October 2013). *Mothers' perceptions of causes and ways to prevent overweight in young, low-income children*. Presented at the Greater Pittsburgh 25th Annual Nursing research Conference. Coraopolis, PA.
- Danford, C.A., Schultz, C.M., Rosenblum, K., Miller, A. L., & Lumeng, J. C. (June 2013). *Parent Perceptions of Causes of and Solutions for Overweight in Young, Low-Income Children*. Selected for oral presentation at the International Family Nursing Conference, Minneapolis, MN.
- Goulding, A.N., Rosenblum, K., Miller, A. L., Peterson, K.E., & Lumeng, J. C. (May 2013). *Maternal depressive symptoms and maternal styles of talking about child feeding*. Presented at the Pediatric Academic Societies Annual Meeting, Washington, DC.
- Goulding, A.N., Rosenblum, K., Miller, A. L., Peterson, K.E., & Lumeng, J. C. (May 2013). *Maternal depressive symptoms and maternal styles of talking about child feeding*. Presented at the National Clinical and Translational Sciences Predoctoral Programs Meeting at the Mayo Clinic, Rochester, MN.
- Miller, A. L. Kaciroti, N., Chen, S., Rosenblum, K., Peterson, K. E., Vazquez, D. M., Lumeng, J. C. (April, 2013). *Child temperament, gender, home environment, and stress-eating behavior in low-income preschoolers*. In: K. Purtell & E. Gershoff, *Chairs: Children's Food Choice*. Presented at the Biennial Meeting of the Society for Research in Child Development, Seattle, WA.
- Miller, A. L. Clifford, C., Rosenblum, K., Sturza, J., Kaciroti, N., Vazquez, D. M., Lumeng, J. C. (April, 2013). *Body mass index and cortisol response to stress in low-income preschoolers*. In: A. Miller, Chair: *Bringing Developmental Science to Pediatric Obesity Research: Biobehavioral Stress Response, Family Process, and Social Contexts*. Presented at the Biennial Meeting of the Society for Research in Child Development, Seattle, WA.
- Rosenblum, K., Miller, A. L., Leung, C. Y., Peterson, K. E., Sturza, J., Kaciroti, N., Vazquez, D. M., Lumeng, J. C. (April 2013) *Associations between the home environment and weight status in a low-income toddler*

sample. In: A. Miller, Chair: *Bringing Developmental Science to Pediatric Obesity Research: Biobehavioral Stress Response, Family Process, and Social Contexts*. Presented at the Biennial Meeting of the Society for Research in Child Development, Seattle, WA.

- Aiyer, S., Miller, A. L., Eisman, A., Stoddard, S., & Zimmerman, M. (April 2013). *Exposure to violence predicting later stress: Examining the role of parental support*. Presented at the Biennial Meeting of the Society for Research in Child Development, Seattle, WA.
- Ellis, S., Rosenblum, K., Miller, A. L., Peterson, K. E., & Lumeng, J. C. (November, 2012). *Meaning of the terms "Overweight" and "Obese" among low-income women*. Presented at the Student Biomedical Research Program, University of Michigan Medical School.
- Clifford, C., Miller, A. L., & Lumeng, J. C. (November, 2012). *Cortisol reactivity in response to stress and childhood obesity*. Presented at the Student Biomedical Research Program, University of Michigan Medical School.
- Zimmerman, M., Reischl, T., Morrel-Samuels, S., Miller, A. L., & Aiyer, S. (November, 2012). *MI-YVPC: A community-based, multi-level approach to youth violence prevention*. Presented at the 140th Annual American Public Health Association (APHA) Meeting, San Francisco, CA.
- Kruger, D., Reischl, T., Franzen, S., Miller, A. L., Stoddard, S., & Zimmerman, M. (November 2012). *Importance of present time orientation in predicting early adolescent violence*. Presented at the 140th Annual American Public Health Association (APHA) Meeting, San Francisco, CA.
- Krusky, A., Reischl, T., Zimmerman, M., Lipton, R., Franzen, S., Miller, A.L., & Aiyer, S. *Property parcel maintenance and public health: Developing the Property Assessment Tool (PAT)*. (November, 2012). Presented at the 140th Annual American Public Health Association (APHA) Meeting, San Francisco, CA.
- Miller, A. L., Peterson, K. E., Kaciroti, N., & Lumeng, J. C. (October, 2012). *Sleep, dietary pattern and obesity in low-income preschool-aged children*. Presented at the International Society of Developmental Psychobiology, New Orleans, LA.
- Lumeng, J.C., Miller, A. L., Peterson, K. E., Kaciroti, N., Sturza, J., Rosenblum, K., & Vazquez, D.M. *A diurnal cortisol pattern reflecting chronic stress is associated with stress-eating behaviors and overweight in preschool-aged children in poverty* (September, 2012). Presented at the 30th Annual Scientific Meeting of the Obesity Society, San Antonio, TX.
- Miller, A. L., Lee, H. J., Karasawa, M., Wang, L., Kessler, D., Tardif, T. Z., & Olson, S. L. (July, 2012). *Facial expressions of emotion in three cultures: Chinese, Japanese, and U.S. preschoolers' reactions to disappointment*. Presented in: *A comparative perspective on the plasticity of emotional development: Examining different levels of emotion regulation in preschool-aged children* (H. Lee & T. Tardif, Chairs), International Society for the Study of Behavioral Development Conference, Edmonton, Canada.
- Tardif, T. Z., Lee, H. J., Miller, A. L., & Wang, L. (July, 2012). *A comparative study of children's emotional response to disappointment: Examination of parenting and children's facial expression and cortisol response in China and the U.S.* Presented in: *A comparative perspective on the plasticity of emotional development: Examining different levels of emotion regulation in preschool-aged children* (H. Lee & T. Tardif, Chairs), International Society for the Study of Behavioral Development Conference, Edmonton, Canada.
- Wilson, K., Chervin, R. D., Miller, A.L., Lumeng, J. C. (June, 2012). *Importance of bedtime routines in low-income preschool children*. Presented at the American Academy of Sleep Medicine, Boston, MA.

- Wilson, K., Miller, A.L., Chervin, R. D., Lumeng, J. C. (May, 2012). *Importance of bedtime routines in low-income preschool children*. Presented at Neuroscience Day, University of Michigan Department of Neurology, Ann Arbor, MI.
- Lumeng, J.C., Miller, A. L., Peterson, K.E., Kaciroti, N., Sturza, J. Rosenblum, K., Vazquez, D. M. (May, 2012). *Diurnal cortisol pattern reflective of chronic stress is associated with stress-eating behaviors and overweight in low-income preschool-aged children*. **Selected as Platform Presentation**, Pediatric Academic Societies, Boston, MA.
- Aiyer, S., Gaskin, J., Miller, A. L., Morrel-Samuels, S., Reischl, T., Warren, N., Weiland, D., & Zimmerman, M. (April, 2012). *MI-YVPC: A community-based, multi-level approach to youth violence prevention*. Presented at the Michigan Institute for Clinical and Health Research (MICHR) Outreach, Partnerships and Implementation Science (OPIS) 2012 Annual Community Engagement Symposium, Ann Arbor, MI.
- Jiang, H., Lumeng, J., Miller, A. L., Florek, B., Staples-Watson, J., & Sturza, J. (November, 2011). *Feeding restriction and child outcomes*. University of Michigan Department of Pediatrics Student Biomedical Research Forum, Ann Arbor, MI.
- Miller, A. L., Seifer, R., Locke, R., & Dickstein, S. (October, 2011). *Diurnal cortisol, cortisol reactivity, emotions and social behavior in low-income preschoolers*. In: Cortisol and Mental Health Outcomes in Infants and Children Symposium (J. Kaplow, Chair; V. Carrion, Discussant) AACAP/CACAP Joint Annual Meeting, Toronto, ON, Canada.
- Horwitz, T. E., Perryman, J., Franzen, S., Cochran, S., & Miller, A. L. (May, 2011). *Parenting while incarcerated: Testing the feasibility of implementing a parenting program with mothers in a jail setting*. Presented at the Michigan Institute for Clinical and Health Research (MICHR) Outreach, Partnerships and Implementation Science (OPIS) 2011 Annual Community Engagement Symposium, Ann Arbor, MI.
- Brown, S. & Miller, A. L. (April, 2011). *Community-based, family-focused intervention with caregivers of children with incarcerated parents*. Presented at the Psychology Undergraduate Research Symposium, Ann Arbor, MI. **Winner, Best Poster in Developmental Area.**
- Liu, M., Kessler, D., Grabell, A., Miller, A. L., Wang, L, Karasawa, M., Tardif, T., & Olson, S. L. (April, 2011). *Facial affect as a response to a disappointing task in Chinese, Japanese, and American preschoolers*. Presented at the Undergraduate Research Opportunity Program Symposium, Ann Arbor, MI. **Winner, Best Poster in Symposium Session.**
- Harris, R.C., Sturza, J., Miller, A. L., & Lumeng, J. C. (April, 2011). *Association between food insecurity and child eating behavior among low-income preschool-aged children*. Presented at Pediatric Academic Societies Meeting, Denver, CO.
- Vadoothker, S., Miller, A. L., LeBourgeois, M. K., & Lumeng, J. C. (April, 2011). *Bedtime routines in preschoolers from a low-income cohort*. Presented at Pediatric Academic Societies Meeting, Denver, CO.
- Locke-Arkerson, R., Miller, A. L., & Seifer, R. (April, 2011). *Preschool anger expressed in inappropriate contexts: Associations with physiology and behavior problems*. In R. Locke-Arkerson, Chair: *Incorporating Contextual Factors in Research on Developmental Psychopathology*. Presented at the Biennial Meeting of the Society for Research in Child Development, Montreal, Quebec, Canada.
- Locke-Arkerson, R., Miller, A. L., & Seifer, R. (April, 2011). *Emotion knowledge and development of emotion dysregulation: How we "know" emotion may influence how we "show" emotion*. In A. Miller, Chair:

Emotion knowledge and adaptive child behavior in social and cultural contexts. Presented at the Biennial Meeting of the Society for Research in Child Development, Montreal, Quebec, Canada.

Miller, A. L., Doan, S. N., & Seifer, R. (April, 2011). *Maternal depression, child emotion knowledge and changes in Head Start children's depressed-inappropriate affect over time.* In A. Miller, Chair: *Emotion knowledge and adaptive child behavior in social and cultural contexts.* Presented at the Biennial Meeting of the Society for Research in Child Development, Montreal, Quebec, Canada.

Hindman, A., Miller, A. L., & Skibbe, L. (April, 2011). *A portrait of family involvement in Head Start: Insights from the FACES data.* Presented at the American Educational Research Association Conference, New Orleans, LA.

Seifer, R., Locke, R., & Miller, A. L. (September, 2010). *Heart rate variability and emotion processing in 4-year-old children.* Presented at the 17th Annual Meeting of the International Society for the Advancement of Respiratory Physiology (ISARP), New York, NY.

Hindman, A., Skibbe, L., & Miller, A. L. (June, 2010) *A portrait of family involvement in Head Start: Nature, extent, and predictors.* In: A. Hindman, Chair: *Developmental Ecological Perspectives on Head Start Children's Development and Learning: Five Studies using the FACES Datasets.* Presented at the 10th National Head Start Research Conference, Washington, DC.

Brown, E., Pizzini, E., & Miller, A. L., (June, 2010). *Responses to academic challenge for children attending Head Start preschools.* Presented at the 10th National Head Start Research Conference, Washington, DC.

Brickey, T., Lied, D., Cochran, S., & Miller, A. L. (April, 2010). *Implementing the Strengthening Families Program with children of incarcerated mothers: "Can I pick from the prize box?"* Presented at the Michigan Institute for Clinical and Health Research (MICHR) Improving Children's Health through Community-Engaged Research Conference Workshop, Ann Arbor, MI.

Brown, S., Ramsey, L. M., Cochran, S., & Miller, A. L. (April, 2010). *Empty promises and overworking the love: Thoughts from caregivers of children with incarcerated parents.* Presented at the Michigan Institute for Clinical and Health Research (MICHR) Improving Children's Health through Community-Engaged Research Conference Workshop, Ann Arbor, MI.

Norris, C., Foley, K., Cochran, S., & Miller, A. L. (April, 2010). *Overcoming obstacles: Implementing an evidence-based parenting program in correctional and community settings.* Presented at the Michigan Institute for Clinical and Health Research (MICHR) Improving Children's Health through Community-Engaged Research Conference Workshop, Ann Arbor, MI.

Froyen, L., Hindman, A., Miller, A. L., & Skibbe, L. (April, 2010). *Patterns of parental involvement in Head Start: An examination of the FACES dataset.* Presented at the 20th Biennial Conference on Human Development, New York City, NY.

Hindman, A. H., & Miller, A. L. (June, 2009). *Family contributions to Head Start preschoolers' literacy skills over the transition to school.* In D. Aram (Chair), *Early Literacy Development.* Paper presented to the annual meeting of the Society for the Scientific Study of Reading, Boston, MA.

Kessler, D. A., Nguyen, T., Felt, B., Wang, L., Olson, S. L., Miller, A. L., Shafir, T., Kaciroti, N., & Tardif, T. Z. (May, 2009). *Cortisol response to disappointment predicts inhibitory-control in US but not Chinese preschoolers.* Presented at the American Psychological Society Annual Convention, San Francisco, CA.

Grabell, A. S., Olson, S. L., Kessler, D. A., Miller, A. L., Felt, B., & Tardif, T. Z. (May, 2009). *Neurobiological*

roots of early emotion dysregulation and behavior problems. Presented at the American Psychological Society Annual Convention, San Francisco, CA.

Berger, R. H., Cares, S. R., Miller, A. L., Seifer, R., & LeBourgeois, M. K. (June, 2009). *Sleep restriction (nap deprivation) impacts emotional responses in 2-3 year-old children.* Presented at the SLEEP 2009 23rd Annual Meeting of the Associated Professional Sleep Societies, Seattle, WA.

Berger, R. H., Cares, S. R., Miller, A. L., Seifer, R., & LeBourgeois, M. K. (April, 2009). *Sleep restriction (nap deprivation) increases negative emotional responses in early childhood.* Presented at the Biennial Meeting of the Society for Research in Child Development, Denver, CO.

Berhenke, A., Miller, A. L., Brown, E., Pizzini, E., Seifer, R., & Dickstein, S. (April, 2009). *Assessing motivation in kindergarteners.* Presented at the Biennial Meeting of the Society for Research in Child Development, Denver, CO.

Hindman, A. H., Skibbe, L. E., Miller, A. L., & Zimmerman, M. A. (April, 2009). *Effects of classroom process, quality, and parent involvement on Head Start children's academic and social development trajectories.* In: R. J. Bulotsky Shearer and M. L. Lopez, Chairs: *Developmental Ecological Perspectives on School Readiness for Low-Income Children: Research Using Head Start FACES.* Presented at the Biennial Meeting of the Society for Research in Child Development, Denver, CO.

Kessler, D. A., Wang, L., Felt, B., Olson, S. L., Miller, A. L., & Tardif, T. Z. (April, 2009). *Circadian cortisol and child mood in China and the United States.* Presented at the Biennial Meeting of the Society for Research in Child Development, Denver, CO.

Berhenke, A., Miller, A. L., Brown, E., Seifer, R., & Dickstein, S. (April, 2009). *How should we assess motivation in young children?* Presented at the American Educational Research Association Conference, San Diego, CA.

Shafir, T., He, Y., Yi, C.Y., Angulo-Barroso, R., Miller, A. L., Olson, S., Kaciroti, N., & Tardif, T. (August, 2008). *Children's facial and motor expressions in emotion regulation.* Presented at 7th IEEE International Conference on Development and Learning.

Berhenke, A., Miller, A. L., & Brown, E. (April, 2008). *The Motivational/Affective Coding System (MACS): Developing a behavioral measure of motivation in kindergarten.* Presented at the Conference on Human Development, Indianapolis, IN.

Shepard, S., Dickstein, S., Miller, A. L., Low, C. M., Eguia, M, Andreozzi, E, & Seifer, R. (June, 2008). *Enhanced HS MAP: 0-5 intervention: Transporting services for effective delivery under "real world" conditions.* Presented at the 9th National Head Start Research Conference, Washington, DC.

Dickstein, S., Shepard, S., Miller, A. L., Low, C. M., Eguia, M, Andreozzi, E, & Seifer, R. (June, 2008). *Enhanced HS MAP: 0-5 intervention: Does it work to improve classroom quality, teacher-child relationships, and child developmental outcomes?* Presented at the 9th National Head Start Research Conference, Washington, DC.

Brown, E., Pizzini, E., Peterman, D., Miller, A. L., Seifer, R., & Dickstein, S (June, 2008). *Responses to academic challenge for Head Start graduates.* Presented at the 9th National Head Start Research Conference, Washington, DC, June 2008.

Berhenke, A., Miller, A. L., Brown, E., Seifer, R., & Dickstein, S. (June, 2008). *Emotional and motivational readiness in Head Start graduates.* Presented at the 9th National Head Start Research Conference, Washington, DC.

- Kessler, D., Tardif, T., Ricketts, M., Olson, S., Miller, A. L., Wang, L., Karasawa, M., Chervin, R., Felt, B. (May, 2008). *Sleep characteristics in preschool children across three cultures*. Presented at the Pediatric Academic Societies Meeting, Honolulu, HI.
- Berhenke, A., Miller, A.L., & Brown, E. (March, 2008). *Observing motivation: Judging a book by its cover?* Presented at the Annual Meeting of the American Educational Research Association, New York, NY.
- Kessler, D., Tardif, T., Ricketts, M., Olson, S., Miller, A. L., Li Wang, Karasawa, M., Chervin, R., Felt, B. (November, 2007). *Comparison of sleep characteristics in preschool children across three cultures*. Presented at the University of Michigan Pediatric Symposium, Ann Arbor, MI.
- Tardif, T., Miller, A. L., & Kaciroti, N. (October, 2007). *Emotion regulation as a complex system*. Presented at National Science Foundation Annual Conference on Human and Social Dynamics. Richmond, VA.
- Tardif, T., Miller, A.L., Felt, B., Olson, S.L., Shafir, T., Kaciroti, N., & Tilbury, D. (September, 2007). *Emotion regulation as a complex system: An interdisciplinary research project with Chinese, Japanese, and US preschoolers*. Presented at the Center for Human Growth and Development Brownbag Series, University of Michigan.
- Hoffman, C., Low, C. M., Miller, A. L., Seifer, R., Dickstein, S., & Sameroff, A. J. (March, 2007). *Children's problem-solving attributions in a high-risk sample: Cognitive style and early depressive symptoms*. Presented at the Biennial Meeting of the Society for Research in Child Development, Boston, MA.
- Miller, A. L. & Gouley, K. K. (March, 2007). *Paper Symposium: Parenting and intervention effects on the emotional development of ethnically diverse, low-income children over time* (Chairs: Alison L. Miller and Kathleen Kiely Gouley). Presented at the Biennial Meeting of the Society for Research in Child Development, Boston, MA.
- Miller, A. L., Seifer, R., Stroud, L., Sheinkopf, S. J., & Dickstein, S. (March, 2007). *Measuring emotion processing: Connections among observed emotion, emotion knowledge, and physiological regulation*. In: *Behavioral, Social-Cognitive, and Biological Approaches to Conceptualizing Emotions: Measurement and Meaning-Making* (Chairs: Alison L. Miller and Ronald Seifer). Presented at the Biennial Meeting of the Society for Research in Child Development, Boston, MA.
- Coyne, L. W., Low, C. M., Miller, A. L., Seifer, R., & Dickstein, S. (November, 2006). *Translating mindfulness to parenting: Relations with maternal sensitivity, depression, and child outcomes*. In: *Extending acceptance and mindfulness research to parents, families, and adolescents: Process, empirical findings, clinical implications, and future directions* (K. S. Berlin and A. R. Murrell, Chairs). Presented at the Association for Behavioral and Cognitive Therapies Convention, Chicago, IL.
- Miller, A.L. (September, 2006). *Emotional competence and school adjustment in low-income children*. Presented at the UM Developmental Psychology Brown Bag Series, Ann Arbor, MI.
- Miller, A. L., Dickstein, S. D., Seifer, R., Eguia, M., & Low, C. M. (July, 2006). *Program evaluation and research in Head Start. Invited Symposium: Integrating mental health consultation and program evaluation in Head Start preschool settings* (Chair: Ronald Seifer). Presented at the 26th International Congress of Applied Psychology, Athens, Greece.
- Dickstein, S., Miller, A.L., Blodgett, C., Wasik, B.A., Hallam, R., Grisham-Brown, J., Carr, V.W., & Boat, M. (June, 2006). *The Child Outcomes Research Support Consortia: How an ecological systems model of development can frame a research strategy related to child assessment and outcomes*. Invited symposium. Presented at the 8th National Head Start Research Conference, Washington, DC.

- Miller, A.L., Seifer, R., Stroud, L., Sheinkopf, S. J., & Dickstein, S. (June, 2006). *Measuring emotion processing in Head Start preschoolers: Associations with social competence and behavior problems*. Presented at the 8th National Head Start Research Conference, Washington, DC.
- Shepard, S., Miller, A.L., Doctoroff, G., Seifer, R., & Dickstein, S. (May, 2006). *The role of early classroom environments in promoting the developmental progress of at-risk preschoolers*. Presented at the 14th Annual Meeting of the Society for Prevention Research, San Antonio, TX.
- Doctoroff, G., Miller, A.L., Shepard, S., Seifer, R., & Dickstein, S. (May, 2006). *Student-teacher relationships in early childhood: Promoting classroom adjustment and social competence in the context of risk*. Presented at the 14th Annual Meeting of the Society for Prevention Research, San Antonio, TX.
- Nassau, J.H., Fritz, G.K., Klein, R.B., Sharma, S., Miller, A.L., Houlihan, E., & Andrade, D. (April, 2006). *Psychoneuroimmunology in pediatric chronic illness: Asthma as an example*. In: *Emerging Areas in Pediatric Psychology Symposium*. Presented at the National Conference on Child Health Psychology, Gainesville, FL.
- Shepard, S., Miller, A. L., Low, C. M., Dickstein, S., Sameroff, A. J., & Seifer, R. (March, 2006). *Does family functioning mediate intergenerational transmission of depression in a high-risk preadolescent sample?* Presented at the Biennial Meeting of the Society for Research on Adolescence, San Francisco.
- Miller, A. L., Shepard, S., Low, C. M., Seifer, R., Dickstein, S., Sameroff, A. J. (March, 2006). *Internalizing problems and classroom performance in a high-risk preadolescent sample*. Presented at the Biennial Meeting of the Society for Research on Adolescence, San Francisco.
- Miller, A. L., Seifer, R., Stroud, L., Sheinkopf, S. J., & Dickstein, S. (February, 2006). *Biobehavioral indices of emotion regulation relate to school attitudes, motivation, and behavior problems in a low-income preschool sample*. Presented at the Resilience in Children Conference, New York Academy of Sciences, Washington, DC.
- Stroud, L., Miller, A. L., Seifer, R., Shepard, S., & Fine, S., (September, 2005). *HPA and emotion regulation in Head Start preschool children: Preliminary findings*. Presented at the 36th Annual Meeting of the International Society of Psychoneuroendocrinology, Montreal, Canada.
- Mansell, A. L., Walders, N., Steele, D.W., Carter, R., Devin, J., Monica, T., Miller, A. L., & Wamboldt, F. (May, 2005). *Responses to methacholine bronchial provocation in overweight adolescents*. Presented at American Thoracic Society International Conference, San Diego, CA.
- CORS Consortium. *Child assessments and outcomes: Challenges and lessons from the Head Start Child Outcomes Research Support (CORS) Consortium* (May, 2005). Presented at the National Head Start Association 32nd Annual Training Conference, Orlando, FL.
- Shepard, S., Miller, A. L., Dickstein, S., Low, C. L., & Seifer, R. (May, 2005). *The PPI-SC: Screening parenting practices to inform family-focused service delivery in Head Start*. Presented at the 13th Annual Meeting of the Society for Prevention Research, Washington, DC.
- Sterba, S., McHale, J., Miller, A. L., Dickstein, S., & Seifer, R. (April, 2005). *Three dimensions of coparenting in early infancy differentially related to family variables*. Presented at the Biennial Meeting of the Society for Research in Child Development, Atlanta, GA.
- Shepard, S., Miller, A. L., Low, C. M., Dickstein, S., Eguia, M., & Seifer, R. (April, 2005). *Preschool classroom quality and child socioemotional development in a low-income sample*. Presented at the Biennial Meeting,

Society for Research in Child Development, Atlanta, GA.

- Miller, A. L., Low, C. M., Shepard, S., Dickstein, S., Seifer, R., & Eguia, M. (April, 2005). *Family functioning in Head Start families*. Presented at the Biennial Meeting of the Society for Research in Child Development, Atlanta, GA.
- Miller, A. L., Low, C. M., Coyne, L.W., Seifer, R., & Dickstein, S. (April, 2005). *Caregivers' empathic understanding of their toddlers: Associations with caregiver sensitivity, depression, and child behavior*. Presented at the Biennial Meeting of the Society for Research in Child Development, Atlanta, GA.
- Nassau, J. H., Sharma, S., Klein, R., Fritz, G., Miller, A. L., Houlihan, E., & Andrade, D. (March, 2005). *Does laboratory stress influence immune mediators of airways inflammation in adolescents with asthma?* Presented at the 63rd Annual Scientific Conference of the Psychosomatic Society, Vancouver, BC, Canada.
- Miller, A. L., Dickstein, S., Seifer, R., Eguia, M., Radtke, H., & Little, J. (June, 2004). *Using the Head Start Manualized Assessment of Progress (HS MAP: 0-5) program evaluation system to track child and family outcomes*. Presented at the 7th Biennial Head Start National Research Conference, Washington, DC.
- Dickstein, S., Miller, A. L., Seifer, R., & Eguia, M. (June, 2004). *Using program evaluation for functional assessment of child progress in Head Start: Links with standardized child assessments*. In: *Child assessments and outcomes: Lessons from the Head Start Outcomes Research Support (CORS) Consortium Symposium* (S. Dickstein, Chair). Presented at the 7th Biennial Head Start National Research Conference, Washington, DC.
- Miller, A. L., Shepard, S., Dickstein, S., Seifer, R., & Eguia, M (May, 2004). *Informing early intervention policy: An ecological approach to mental health screening in Head Start*. Presented at the 12th Annual Meeting of the Society for Prevention Research, Quebec City, Canada.
- Coyne, L. W., Low, C. M., Miller, A. L., & Seifer, R. (May, 2004). *How mindful are moms? Attunement and representation in the narratives of depressed and non-depressed mothers*. Presented at the 14th Biennial International Conference on Infant Studies, Chicago, IL.
- Miller, A. L., Gouley, K., Seifer, R., & Zakriski, A. (June, 2003). *Evaluating the effectiveness of the PATHS program in an urban elementary school*. Presented at the 11th Annual Meeting of the Society for Prevention Research, Washington, DC.
- Dickstein, S., & Miller, A. L. (June, 2003). *Child outcomes in Head Start*. Presented at the 3rd Annual Family Development Conference, Salve Regina University/Rhode Island Community Action Association, Newport, RI.
- McDonough, S. C., Miller, A. L., & MacKenzie, M. (July, 2002). *Effect of depressed and anxious mothers on young infants*. Presented at the 8th World Congress on Infant Mental Health, Amsterdam, Netherlands.
- Dickstein, S., Eguia, M., Miller, A.L., & Seifer, R. (June, 2002). *Head Start MAP: Manualized Assessment of Progress*. Presented at the 6th Biennial Head Start National Research Conference, Washington DC.
- Gouley, K. K., Shields, A., Miller, A. L., Dickstein, S., Seifer, R., & Magee, K. D. (June, 2002). *Emotional development of children at risk: Social-cognitive abilities, student-teacher relationships, and classroom adjustment*. Symposium presented at the 6th Biennial Head Start National Research Conference, Washington DC (Chair: Ronald Seifer).
- Miller, A. L., Gouley, K. K., Shields, A., Seifer, R., Dickstein, S., Fox, C., & Radtke, H. (June, 2002). *Children's*

emotional and social competence in Head Start classrooms: Observational methods. Symposium presented at the 6th Biennial Head Start National Research Conference, Washington DC (Chair: Ronald Seifer).

- Miller, A.L., Gouley, K. K., Shields, A., Dickstein, S., Seifer, R., & Dodge Magee, K. (May, 2002). *Assessing the utility of a brief screening for risk in predicting Head Start children's emotional competence and preschool adjustment*. Presented at 10th Meeting of the Society for Prevention Research, Seattle, WA.
- Seifer, R., Zakriski, A., Gouley, K. K., & Miller, A. L. (May, 2002). *Emotional competence and peer relationships in a school-based prevention study with urban schoolchildren*. Presented at the 10th Annual Meeting of the Society for Prevention Research, Seattle, WA.
- Miller, A. L., Clark, J. D., McDonough, S. C., & Sameroff, A. J. (April, 2002). *Infants' emotional reactions to caregiver still-face and separation predict socio-emotional functioning in toddlerhood*. Presented at the International Conference on Infant Studies, Toronto, Canada.
- Miller, A. L. (March, 2001). *The effect of emotional challenge on infant and caregiver behavior in toy play and face-to-face interactions at 7 months*. Presented at the Biennial Meeting of the Society for Research in Child Development, Minneapolis, MN.
- Clark, J. D., Conway, A. C., & Miller, A. L. (March, 2001). *Maternal sensitivity and autonomous infant regulatory strategies*. Presented at the Biennial Meeting of the Society for Research in Child Development, Minneapolis, MN.
- Miller, A. L. (July, 2000). *Mother-infant interaction at 7 months: Assessing emotional and behavioral regulation across contexts*. Invited International Society for Infant Studies (ISIS) Symposium (Chair: Arnold Sameroff). Presented at 7th Congress of the World Association for Infant Mental Health, Montreal, Quebec, Canada.
- Miller, A. L., Notaro, PC, & Zimmerman, MA (March, 2000). *Stability and change in friendship orientation: Associations with multiple domains of urban African-American adolescent functioning*. Presented at the Biennial Meeting, Society for Research on Adolescence, Chicago, IL.
- Miller, A. L., Muzik, M., Rosenblum, K. R., & McDonough, S. C. (April, 1999). *Mediating and moderating effects of maternal mental health: Relationship between poverty and quality of early home environment*. Presented at the Biennial Meeting of the Society for Research in Child Development, Albuquerque, NM.
- Miller, A. L., & Olson, S. L. (April, 1999). *Emotional expressiveness during peer conflicts: A predictor of social maladjustment among high-risk preschoolers*. Presented at the Biennial Meeting of the Society for Research in Child Development, Albuquerque, NM.
- Volling, B. L., McElwain, N. L., & Miller, A. L. (April, 1999). *Emotion understanding, emotionality, and family relationships as correlates of sibling jealousy and behavioral dysregulation with mothers and fathers*. Symposium presented at the Biennial Meeting of the Society for Research in Child Development, Albuquerque, NM.
- McElwain, N. L., Volling, B. L., & Miller, A. L. (August, 1998). *Individual and family correlates of young children's emotion regulation*. Presented at the Annual Convention of the American Psychological Association, San Francisco, CA.
- Miller, A. L., Volling, B. L., & McElwain, N. L. (April, 1998). *Parents, infants, and siblings: Emotion regulation in a triadic interaction context*. Presented at the Biennial International Conference on Infant Studies, Atlanta, GA.

- Miller, A. L., & Lansford, J.E. (March, 1998). *Children's peer relationships: Two observational studies*. Presented at the Developmental Psychology Brown Bag Series, Ann Arbor, MI.
- Notaro, P. C., Miller, A. L., & Zimmerman, M. A. (February, 1998). *Adolescent attachment to friends: Relationships with emotional regulation and gender*. Presented at the Biennial Meeting of the Society for Research on Adolescence, San Diego, CA.
- McElwain, N. L., Miller, A. L., & Olson, S. L. (April, 1997). *Preschoolers' conflicts: A longitudinal analysis of aggressive boys and their peers*. Presented at the Biennial Meeting of the Society for Research in Child Development, Washington, DC.
- Miller, A. L. (September, 1996). *Individual differences in preschoolers' emotional expressiveness in the context of conflict: Effect on social status among peers*. Presented at the Annual University of Michigan Department of Psychology Conference, Ann Arbor, MI.
- Miller, A. L., & Bernzweig, J. (July, 1994). *Asthma and functional status*. Presented at the University of California San Francisco Pediatric Research Seminar Series, San Francisco, CA.
- Bernzweig, J., Takayama, J. I., Miller, A. L., & Pantell, R. H. (May, 1994). *Gender differences in physician-child communication: Can they warn us about women's health?* Presented at the American Psychological Association Meeting on Psychosocial and Behavioral Factors in Women's Health: Creating an Agenda for the 21st Century, Washington, DC.
- Bernzweig, J., Takayama, J. I., Miller, A. L., & Pantell, R. H. (May, 1994). *Gender differences in physician-child communication: Implications for health care access*. Presented at the annual meeting of the Ambulatory Pediatric Association, Seattle, WA.
